The examiner-reviewed P7 Study Text includes everything you need for this paper, including detailed guidance on the exam. The question bank includes questions in the style of the P7 paper, and each chapter contains useful exam focus points and chapter roundups. The Study Text provides an excellent source of the main professional and regulatory aspects of audit and assurance engagements, focusing on ethics and regulation and practice management, before going through the audit and assurance engagement process, and ending with a consideration of current issues and developments.

An accessible beginner's guide to the fundamentals of audit and assurance. Audit and assurance is a basic and vital aspect of the financial world and a key element of all professional accountancy programs. Whereas professional training on the topic frequently immerses students in too much detail while glossing the basics, this book begins with the fundamentals and expands to cover the details in a more measured way. With practical examples and end-of-chapter examples, External Audit and Assurance Essentials breaks down a difficult and challenging field of professional accounting.
