

American Promise 5th Edition Volume 1

Thoroughly revised and updated, Discover Biology, Second Edition, presents the essential concepts of modern biology in a text designed specifically for nonmajors. The authors emphasize a level of detail appropriate for nonmajors, freeing instructors to focus on the scientific issues-HIV, global climate change, DNA fingerprinting, genetic engineering, cancer-that students read about in the paper, vote on in elections, and face in their daily lives. With two new chapters, refined pedagogy and art programs, and a powerful ancillary package, Discover Biology, Second Edition, is the best choice for the nonmajors introductory course.

In response to the ever-changing challenges of teaching the survey course, Understanding the American Promise combines a newly abridged narrative with an innovative chapter architecture to focus students' attention on what's truly significant. Each chapter is fully designed to guide students' comprehension and foster their development of historical skills. Brief and affordable but still balanced in its coverage, this new textbook combines distinctive study aids, a bold new design, and lively art to give your students a clear pathway to what's important.

"Organized chapter by chapter to parallel The American promise: a history of the United States in all its editions"--v. 1, p. iii.

Colonial American History Stories - 1215 - 1664 contains almost 300 history stories presented in a timeline that begins in 1655 with the performance of the first documented play performed in British North America and ends with the switch from the Julian to the Gregorian Calendar in 1752. This journal of historical events mark the beginnings of the United

States and serve as a wonderful guide of American history. These reader friendly stories include: September 27, 1540 - Society of Jesus (Jesuits) Founded By Ignatius Loyola December 19, 1675 - The Great Swamp Fight September 19, 1676 - Bacon's Rebellion - Bacon Burns Jamestown April 18, 1689 - 1689 Boston Revolt February 29, 1692 - Sarah Good, Sarah Osborne and Tituba Accused Of Witchcraft in Salem, Massachusetts May 22, 1718 - Edward Teach - Blackbeard - Begins Blockade of Charlestown. November 02, 1734 - Daniel Boone Born December 08, 1741 - Vitus Bering Died December 23, 1750 - Ben Franklin Attempts to Electrocute a Turkey December 31, 1752 – Julian/Gregorian Calendar Switch Complete timeline, journal, events, stories, united states, beginnings, guide

Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

#1 New York Times bestselling author Eric Metaxas delivers an extraordinary book that is part history and part rousing call to arms, steeped in a critical analysis of our founding fathers' original intentions for America. In 1787, when the Constitution was drafted, a woman asked Ben Franklin what the founders had given the American people. "A republic," he shot back, "if you can keep it." More than two centuries later, Metaxas

examines what that means and how we are doing on that score. *If You Can Keep It* is at once a thrilling review of America's uniqueness—including our role as a "nation of nations"—and a chilling reminder that America's greatness cannot continue unless we embrace our own crucial role in living out what the founders entrusted to us. Metaxas explains that America is not a nation bounded by ethnic identity or geography, but rather by a radical and unprecedented idea, based on liberty and freedom for all. He cautions us that it's nearly past time we reconnect to that idea, or we may lose the very foundation of what made us exceptional in the first place.

America's Promise is a concise, highly readable introduction to American History. Designed to clearly explain major themes and events, it also captures the rich and often amusing character of the American people. The strong narrative emphasizes public life and how individuals constructed public structures in which they lived and worked. Including the latest scholarship in social, cultural, and political history, the work integrates the history and importance of women and minorities. To aid students in learning and reviewing, each chapter begins with a preview of the main ideas that will be discussed and ends with a conclusion that reinforces the key concepts. Rather than being simply declaratory signposts, section headings highlight main ideas and help carry along the narrative. A glossary defines main terms, and a timeline helps students keep track of events. Selected readings are also included to encourage further reading and study. Finally, carefully selected illustrations and maps portray, pinpoint, and illuminate important episodes in American history. The most concise and competitively priced book available, America's Promise is a breath of fresh air in the introductory market. The American Promise appeals to all types of students and provides the right resources and tools to support any

classroom environment. A clear political framework supports a vibrant social and cultural story that embraces the voices of hundreds of Americans — from presidents to pipefitters and sharecroppers to suffragettes — who help students connect with history and grasp important concepts. Now in its fifth edition, *The American Promise* does even more to increase historical analysis skills and facilitate active learning, and its robust array of multimedia supplements make it the perfect choice for traditional face-to-face classrooms, hybrid courses, and distance learning.

For each chapter in the textbook, the Study Guide offers a summary; an expanded chronology followed by multiple-choice questions; a defining terms exercise; multiple-choice and short-answer questions; and map, illustration, and source exercises that help students synthesize the material they have learned as well as understand the skills historians use to make sense of the past. Answers for all exercises are provided.

Understanding the American Promise, Third Edition, features a brief, question-driven narrative that models for students the inquiry-based methods used by historians and features an innovative active learning pedagogy designed to foster greater comprehension of the reading. This book includes a full-color map and art program, new primary documents, and comprehensive supplement options including LaunchPad. It is also enhanced by LearningCurve, our easy-to-assign adaptive learning system that will ensure students come to class prepared.?

The American Promise, Volume I: To 1877 A History of the United States Macmillan

Many document readers offer lots of sources, but only *Going to the Source* combines a rich selection of primary sources with in-depth instructions for how to use each type of source. Mirroring the chronology of the U.S. history survey, each

chapter familiarizes students with a single type of source while focusing on an intriguing historical episode such as the Cherokee Removal or the 1894 Pullman Strike. Students practice working with a diverse range of source types including photographs, diaries, oral histories, speeches, advertisements, political cartoons, and more. A capstone chapter in each volume prompts students to synthesize information on a single topic from a variety of source types. The wide range of topics and sources across 28 chapters provides students with all they need to become fully engaged with America's history.

The American Promise has long been a course favorite. Students value The American Promise for its readability, clear chronology, and lively voices of ordinary Americans, while instructors rely upon the rich content, the many documents and features, and the overall support for teaching their class their way. The American Promise provides superior formats for every use—the print book allows for a seamless reading experience while LaunchPad provides the right space for active learning assignments and dynamic course management tools that measure and analyze student progress. LaunchPad comes with a wealth of primary sources and special critical thinking activities to help students progress toward achieving learning outcomes; LearningCurve, the adaptive learning tool that students love to use to test their understanding of the text and instructors love to assign to prepare students for class; and a suite of instructor resources from videos to test banks that make teaching simpler and more effective.

The American Promise, Value Edition, has long been a favorite with students who value the text's readability, clear chronology, and lively voices of ordinary Americans, all in a portable format. Instructors have long valued the full narrative accompanied by a 2-color map program and the rich

instructor resources of the parent text made available at an affordable price. The sixth edition introduces a breakthrough in teaching and learning through the addition of LaunchPad, which combines carefully-curated new assignments and assessments integrated with the full-length parent text e-book—the same narrative in the Value Edition but with full color art and maps and more features for analysis—in its own intuitive course space. The American Promise Value Edition with LaunchPad now provides the best formats for every activity—the print book allows for a seamless reading experience while LaunchPad provides the right space for active learning assignments and dynamic course management tools that measure and analyze student progress. LaunchPad comes with a wealth of primary sources and special critical thinking activities to help students progress toward learning outcomes; LearningCurve, the adaptive learning tool that students love to use to cement their understanding of the text and instructors love to assign to prepare students for class; and a suite of instructor resources from videos to test banks that make teaching simpler and more effective. What's in the LaunchPad

A third edition of this book is now available. Now in a fully updated edition, this knowledgeable and reader-friendly text gives a conceptual and historical overview of American foreign relations from the founding to the present. Providing students with a solid and readily understandable framework for evaluating American foreign policy decisions, Joyce P. Kaufman clearly explains key decisions and why they were made. Compact yet thorough, the book offers instructors a concise introduction that can be easily supplemented with other sources.

The new two-color Value Edition of The American Promise is the ideal solution for instructors and students who want a full-length narrative at a low price. A clear political framework

supports a dynamic social and cultural story enlivened by the voices of hundreds of Americans who help students connect with history and grasp important concepts.

The American Promise: A Concise History is a brief, inexpensive narrative with a clear political, chronological narrative that makes teaching and learning American history a snap. Streamlined by the authors themselves to create a truly concise book, the fifth edition is nearly 15 percent shorter than the fourth compact edition, yet it includes more primary sources than ever—including a new visual sources feature. It is also enhanced by LearningCurve, our easy-to-assign adaptive learning system that will ensure students come to class prepared.

The American Promise, Value Edition, has long been a favorite with students who value the text's readability, clear chronology, and lively voices of ordinary Americans, all in a portable format. The value edition includes the full narrative accompanied by a 2-color map program and the rich instructor resources of the parent text made available at an affordable price. LaunchPad combines carefully-curated assignments and assessments integrated with the full-length parent text e-book—the same narrative in the Value Edition but with full color art and maps and more features for analysis—in its own intuitive course space. The American Promise Value Edition with LaunchPad provides the best formats for every activity—the print book allows for a seamless reading experience while LaunchPad provides the right space for active learning assignments and dynamic course management tools that measure and analyze student progress. LaunchPad comes with a wealth of primary sources and special critical thinking activities to help students progress toward learning outcomes; LearningCurve, the adaptive learning tool that students love to use to cement their understanding of the text and instructors love to assign

to prepare students for class; and a suite of instructor resources from videos to test banks that make teaching simpler and more effective.

The American Promise is more teachable and memorable than any other U.S. survey text. The balanced narrative braids together political and social history so that students can discern overarching trends as well as individual stories. The voices of hundreds of Americans - from Presidents to pipe fitters, and sharecroppers to suffragettes - animate the past and make concepts memorable. The past comes alive for students through dynamic special features and a stunning and distinctive visual program. Over 775 contemporaneous illustrations - more than any competing text - draw students into the text, and more than 180 full - color maps increase students' geographic literacy. A rich array of special features complements the narrative offering more points of departure for assignments and discussion. Longstanding favorites include Documenting the American Promise, Historical Questions, The Promise of Technology, and Beyond American's Borders, representing a key part of our effort to increase attention paid to the global context of American history.

The American Promise has long been a course favorite.
