Known for many years as Barron's Easy Way Series, the new editions of these popular self-teaching titles are now Barron's E-Z Series. Brand-new cover designs reflect all new page layouts, which feature extensive two-color treatment, a fresh, modern typeface, and more graphic material than ever—charts, graphs, diagrams, instructive line illustrations, and where appropriate, amusing cartoons. Meanwhile, the quality of the books' contents remains at least as high as ever. Barron's E-Z books are self-help manuals focused to improve students' grades in a wide variety of academic and practical subjects. For most subjects, the level of difficulty ranges between high school and college-101 standards. Although primarily designed as self-teaching manuals, these books are also preferred by many teachers as classroom supplements—and for some courses, as main textbooks. E-Z books review their subjects in detail, and feature both short quizzes and longer tests with answers to help students gauge their learning progress. Subject heads and key phrases are set in a second color as an easy reference aid. Barron's E-Z French instructs students with little or no prior knowledge of the language in informal conversational French. They'll find true-to-life dialogues with translations, skill-building exercises, useful verb conjugation charts, explanations of grammatical terms, and many more language-learning features. Illustrations supplement the text and capture much of the spirit of contemporary France.

SHERAZADE, AGED 17, DARK CURLY HAIR, GREEN EYES, MISSING

Sherazade is seventeen, Algerian, and a runaway in Paris. Although she has no morals, no scruples, no politics, no apparent emotional depth and little education, Sherazade remains curiously unattached but innocent in the city's underworld of

drop-outs, outcasts, political activists and junkies. With honesty and lyricism this novel exposes the various issues that affect a young woman living in a city which is both sophisticated and provincial, liberal and conservative, tolerant and prejudiced. In Paris, Sherazade is pursued by Julian, the son of French-Algerians who is an ardent Arabist. Pigeon-holed by Julian into the –traditional exotic mold, Sherazade endeavors to create her own definition of Algerian –femininity and in doing so breaks down conventions and stereotypes. It is Julian's obsession with her that spurs her on to self-discovery and to make decisions about her future. Sherazade is about a young woman haunted by her Algerian past. It is a powerful account of a person who searches for her true identity but is caught between worlds—Africa and Europe, her parents' and her own, colony and capital. Ultimately it is an –account of possession, identity and the realities of urban life today and what can happen when society fails to acknowledge its younger generations.

This innovative film-based program is designed to motivate and inspire intermediate French students. Based on the French film *Le Chemin du retour*, *Bien vu, bien dit* is a completely integrated program for intermediate French. Each chapter of *Bien vu, bien dit*, the textbook, is correlated to an episode of the film. The textbook prepares students for the film-viewing experience through the chapter vocabulary presentations and activities and through additional pre- and post-viewing activities. The vocabulary and grammar presentations, as well as the activities, recycle and expand on the dialogue and structures presented in the film. Pair and small-group activities enable students to talk about the characters in the story and their own lives. The cultural content of the film is also explored in cultural notes and readings in each chapter. *Le Chemin du retour*, the film, is an engaging story about a young French journalist, Camille Leclair, and her pursuit of the truth about her grandfather's past. Through Camille's quest, students are introduced to many facets of today's French and Francophone cultures, as well as to important historical events in France. They learn language in the functional context provided by the film, and concepts are reinforced by onscreen activities that help students verify their comprehension. The feature-length film (102 minutes) is divided into twelve episodes, and each episode includes onscreen pre- and post-viewing activities that make the film more accessible to students, on both a linguistic and cultural level. Episodes are approximately fifteen to twenty minutes in length and correspond to the chapters in the textbook. Three and a half hours of viewing allow intermediate students to explore the richness of French language and culture. By hearing French spoken with a variety of accents and at different speeds in the film, students will gain confidence in their ability to understand authentic, spoken French.
