Amazingly delicious and beautiful gluten-free, grain-free, dairy-free, and refined sugar-free desserts from the popular Bakerita blog Rachel Conners began her blog as a hobby to share baking recipes with friends, but when she started to focus more on gluten-free, paleo, and vegan recipes to make things she could share with her sister, who was following a strict diet due to health concerns, Rachel quickly realized she was onto something. Bakerita surged in popularity as fans flocked to it for delicious and beautifully photographed recipes. Interest in gluten-free, grain-free, dairy-free, and refined sugar-free foods continues to grow in popularity, yet there are remarkably few books available focused just on desserts, and even fewer with recipes that even beginner bakers can make at home. That's where Bakerita comes in, offering recipes for everything from breakfast treats like Lavender-Lemon Raspberry Scones, pies and tarts such as Chocolate Mousse Pie, cakes including Mocha Chip Cheesecake, and updated all-time favorites like chocolate chip cookies, all made without any hard-to-find ingredients.

A commercial market has also emerged in free-from foods suitable for vegans and for people who cannot eat dairy products for health reasons. The shelves of supermarkets are increasingly being stocked with products designed for vegans (such as soya milk) and the market for vegan food is thought to be growing by up to 15 per cent a year. This sub-sector of the food industry is booming. People are becoming much more aware of lactose intolerance and it appears that a vegan diet is better than a veggie or carnivorous diet for staying slim. But staying slim and eating desserts are surely contradictions because puddings tend to be laden with calories from butter, eggs, and cream. Not any longer. Divine Vegan Desserts is reclaiming the reputation of desserts by proving that they can be beautiful, delicious AND healthy. All the desserts in the book are dairy- and egg- free, and therefore completely free of saturated fats. There are also many recipes suitable for people following a gluten-free or nut-free diet. For those wishing to reduce their refined sugar intake or increase their consumption of natural raw foods there are many options too. A comprehensive key indicates which recipes are suitable for different dietary requirements with icons for each recipe. The book contains recipes for cakes, teatime treats, pies & pastries, tarts, trifles and cheesecakes, ice creams, sorbets, mousses, custards and creams. So whether you are a practising vegan, lactose intolerant, on a gluten-free diet or simply want luscious desserts without all the calories this is THE book for you.
