

Easy To Make Knitted Toys

Now featuring new instructions, new illustrations, and new information, *The Principles of Knitting*—beloved by knitters everywhere and one of the most requested out-of-print books for years—finally gets the revision that fans have been clamoring for! A treasured guide beloved by knitters everywhere, the classic book *The Principles of Knitting* is finally available again in a fully revised and updated edition. This is the definitive book on knitting techniques, with valuable information for everyone from beginners to experienced knitters. June Hiatt presents not only a thorough, thoughtful approach to the craft, but also a passion for carrying on the art of knitting to future generations. She has repeatedly tested the various techniques and presents them with clear, easy-to-follow instructions—as well as an explanation of what each one can contribute to your knitting. Informed by decades of experience and thousands of hours of practice, this comprehensive resource offers a variety of ways to approach every skill and technique and offers solutions that can help solve the most challenging aspects of any knitting project. *The Principles of Knitting* has been totally rewritten—new instructions, new illustrations, and new information. While the basics of knitting have not changed much, June’s understanding of the material has deepened over the last twenty-five years, and she’s eager to share what she has learned with the knitting world. In addition, the book has been reorganized to make it easier to use and has a gorgeous new design. Reading *The Principles of Knitting* is like having a knitting mentor by your side who can answer any knitting question you have in an honest, intelligent, informed manner.

INTRODUCTION Crocheting is the art which you can use to create almost all types of fabrics. Making bigger items is time taking while making smaller items are easy and less time consuming. You may think that making an afghan is time taking as Afghanes are not small items, but the fact is when you make use of certain techniques and specific patterns, you can

actually finish an afghan in 24 hours. Here I have provided three extraordinary patterns which you can finish in a day when you follow the instructions properly. WHY SHOULD PEOPLE BUY THIS BOOK? When you decide to buy a book in craft instructions, there are several factors to check. This particular book has been designed in such way that people interested in crocheting will be unable to resist having a copy for them. Here are the basic things which make this book one of the top in the best seller list:

1. This one is designed to enable you to make the afghan in a day.
2. The directions provided here are so detailed that you do not need to storm your brain about any step.
3. The instructions are not abbreviated.
4. The stitch counts mentioned here are the exact figures.
5. Instructions for special stitches have been provided to make your work easy.

Knit yourself into the Christmas spirit with 26 ... mini Christmas projects from bestselling designer Sue Stratford. Create your very own knitted nativity, with Mary and Joseph, Baby Jesus, and the Little Donkey, or a show-stopping Santa's sleigh complete with all eight reindeer! There are also Christmas accessories to decorate your home ... These cute, pocket-sized knits are quick and easy to make, as well as a great way of using up leftover yarn. Whether a novice or an advanced knitter, you will find everything you need to get started, with step-by-step photography and instructions for sewing together and making up the finished projects"--Publisher's description.

"This charming book is all about cute, easy knits with a vintage feel. It includes knitting patterns for six different animal toys--a rabbit, a kitten, a mouse, a puppy, a panda and a monkey, each approx. 8 inches (20cm) high, and all easy and quick to knit. Each will be accompanied by a mini knitted version of itself that can be stored away in the little shoulder bag or backpack that each toy carries. There is also a wide range of patterns for the bags and outfits in which to dress the knitted toys. These will be a variety of knitted and simple hand-sewn garments, all one size, and all designed to fit every animal. The hand-sewn clothes are very simple and do not require a sewing machine. Careful instructions and full-size templates are provided, and there is a wide selection of knitted garments for those who do not want to sew."--Amazon.com.

A dishcloth or dish rag is used in the kitchen to clean dishes and surfaces. Dishcloths are typically made of cotton or other cloth, such as microfiber, and measure 11" to 13" inches square. Generally, we're not knitters. So let's get one thing straight outta the gates. But, learning to knit basic pieces - like this dishcloth - is a skill worth learning. So we learned it, and we're glad we did. The good news is, you can learn it too, I promise it's easy. To begin with, all you need is a pair of knitting needles, a skein of cotton yarn, a simple pattern, and a darning or yarn needle. Also, we'll hold your hand through the process and help you along using the same simple resources we used to learn. Have you been intimidated by the complicated patterns of difficult projects? Have you wanted to start with a small project that did not require a large financial investment of purchasing knitting needles, several balls of yarn, and pattern books? Fiona Goble learnt to knit as a child, but she knows what it's like to be starting out—you have the yarn, you've bought the needles, but when you look at a knitting pattern, it all seems like gobbledygook. "Learn to Knit" will help you learn the basic stitches and how to read a pattern, as well as some simple techniques such as casting on and binding off, and increasing and decreasing. But once you've tried those, you'll want to actually make something. To make that simple, Fiona Goble has gathered together 25 great projects for you to try, all using only the stitches and techniques that you have just learned about. There are chunky scarves and cowls that knit up really quickly using big needles, beanies and bobble hats that can be made in a weekend, and bunting and a pillow cover that even a novice can knit in no time. So put those new skills to use and create a whole range of fantastic things to wear or for the home—once you start knitting, you won't want to stop.
