

## Face To Face Upper Intermediate Progress Tests

Business Benchmark Second edition is the official Cambridge English preparation course for Cambridge English: Business Preliminary, Vantage and Higher (also known as BEC), and BULATS. A pacy, topic-based course with comprehensive coverage of language and skills for business, it motivates and engages both professionals and students preparing for working life. The Business Vantage Student's Book contains authentic listening and reading materials, including interviews with business people, providing models for up-to-date business language. Grammar and vocabulary exercises train students to avoid common mistakes, identified using Cambridge's unique collection of real exam candidates' answers. 'Grammar workshops' practise grammar in relevant business contexts. A BULATS version of this Student's Book is also available.

Combining current knowledge of what works in teaching and learning with the most enduring philosophies of classical education, this book challenges readers to develop the skills, attitudes, knowledge, and habits of mind of strong writers.

Based on the communicative approach, and drawing on the best of current thinking and practice, this major new course prepares students for real world communication. The presentation and practice of vocabulary and grammar are of equal importance and there is a strong focus on listening and speaking with an emphasis on 'real world' language for social situations. The listening and reading material provides fresh new angles on universal topics and students are given numerous opportunities to practise new language through a wide variety of communicative activities, many of which are personalised. face2face is also fully compatible with the Common European Framework of Reference for Languages and gives students regular opportunities to evaluate their progress. Full mapping to the CEF is available online. Each self-contained double-page lesson is easily teachable off the page with minimal preparation. The Teacher's Books contain optional photocopiable resources and tests, ensuring that the course can be tailored to the needs of different classes. Each level provides approximately 80 hours of core teaching material, which can be extended to 120 hours with the inclusion of the photocopiable resource material and extra ideas in the Teacher's Book. The Student's Books are packaged with a free CD-ROM/Audio CD that offers hundreds of extra practice activities, video sequences, recording capability, customisable tests and much more. The face2face Elementary Student's Book CD-ROM/Audio CD won the ESU President's Award 2005 for the best use of new technology in ELT.

The Chinese Grammar Wiki began in 2012 as a modest website with a bold vision: to record all of the grammar structures in the Chinese language, categorize them by difficulty level, explain each one in clear, jargon-free English, and link them all together. Initially the wiki was a resource exclusively for the clients of AllSet Learning's Shanghai-based learning consultancy. But five years later, its popularity among learners has exploded, and the Chinese Grammar Wiki has become the #1 online resource for Chinese grammar among independent learners and college students alike. This book is the third major volume, covering all essential grammar points that an upper intermediate (B2) learner needs to master. Together with the Elementary and Intermediate volumes, the series comprises the most complete single resource on Chinese grammar in print. This volume features:- 160 Upper Intermediate (B2) grammar points- 200+ separate grammar structures- 1,700+ examples (with pinyin and English translation)- Extensive interlinking of similar grammar points- Bilingual glossary of grammar terms- Learner-centric design
