I am a high placed official with the Department of Finance Affairs in Lagos, Nigeria. I and two other colleagues are in need of a silent foreign partner whose bank account we can use to transfer the sum of $18,000,000. This are monies left by a barrister who died tragically in a plane crash last year. . . Sound familiar? Congratulations. You have been selected to become a mugu, an expression African con artists use to describe the targets of their e-mail scams. But they drew a bead on the wrong guy when they started spamming Steve H. Graham. Like many Internet users, Graham eventually got tired of receiving mugu mail and decided to fire back at his wannabe swindlers. Armed with a scathing sense of humor, Graham quickly turned the tables on his tormenters—with side-splittingly hilarious results. Whether he's referring to his fictional lawyer Biff Wellington, complaining about the injury he received while milking a lactating sloth, or offering the Preparation H helpline as his phone number, Graham—using aliases such as Wile E. Coyote, Barney Rubble, and Herman Munster—offers proof that spamming the spammers is the best revenge. Steve H. Graham is a retired attorney. Since childhood, he has been fighting for truth, justice, and free movie passes. For each copy sold of this book, he will donate 100 percent of the proceeds to himself. He is also the author of the cookbook Eat What You Want and Die Like a Man. He lives in Miami. Computer viruses—just the thought of your trusty PC catchingone is probably enough to make you sick. "People are stupid, Davis Wolfgang Hawke thought as he stared at the nearly empty box of Swastika pendants on his desk." So begins Spam Kings, an investigative look into the shady world of email spammers and the people trying to stop them. This compelling exposé explores the shadowy world of the people responsible for today's junk-email epidemic. Investigative journalist Brian McWilliams delivers a fascinating account of the cat-and-mouse game played by spam entrepreneurs in search of easy fortunes and anti-spam activists. McWilliams chronicles the activities of several spam kings, including Hawke, a notorious Jewish-born neo-Nazi leader. You'll follow this 20-year-old's rise in the trade, where he became a major player in the lucrative penis pill market—a business that would make him a millionaire and the target of lawsuits. You'll also meet cyber-vigilantes, such as Susan Gunn, who have taken up the fight against spammers like Hawke. Explore the sleazy spammer business practices, the surprising new partnership between spammers and computer hackers, and the rise of a new breed of computer viruses designed to turn the PCs of innocent bystanders into secret spam factories.
