Nearly killed as a teenager by a hit-and-run boater, Jane Killian is a woman with everything to live for. A series of surgeries restored her lovely face. She's the toast of the Dallas art community, her sculptures lauded as both disturbing and beautiful. And Jane and her husband, plastic surgeon Dr. Ian Westbrook, are expecting their first child. Then a woman with ties to Ian is found brutally slain and the police make him their prime suspect. At first determined to prove her husband's innocence, Jane cannot escape her own growing doubts. Then her nightmare escalates. She begins receiving anonymous messages and quickly becomes convinced they're from him—the boater she always believed deliberately hit her and got away with it. Now Jane must face a terrifying truth. Her tormentor knows everything about her—her likes, her dislikes, her daily routine and, most frightening of all, her deepest fears. And he will use them mercilessly until he sees Jane dead.

The Oxford Primary Dictionary is specially written for students at school and at home. Trialled and tested in schools and includes over 30,000 words and phrases.

"Il Ragazzini-Biagi Concise", ormai giunto alla quinta edizione, si propone come dizionario per i primi anni di studio, per l'apprendimento della lingua e l'arricchimento del lessico, ma è anche adatto alla consultazione da parte di professionisti, operatori commerciali e turistici e di chiunque abbia bisogno di un dizionario agile ma completo. è stato aggiornato con tutte le nuove parole inglesi e americane e le accezioni più importanti degli ultimi anni, da blog e prequel fino a viral e to groom, dall'informatica e le nuove tecnologie fino al linguaggio dei

giovani e del giornalismo. Il volume si presenta per la prima volta a due colori e con una nuova impostazione grafica. Il dizionario è ricco di informazioni utili per l'apprendimento linguistico: oltre 300 note di approfondimento che mettono a confronto la lingua e la cultura inglese con quella italiana; oltre 380 falsi amici segnalati nel testo; inserti su aspetti fondamentali della comunicazione orale e scritta (come: La data; Come si dice l'ora; Paesi e popoli); la segnalazione delle parole inglesi più importanti da imparare; indicazione sistematica dei sostantivi uncountable; indicazione delle forme flesse di verbi e sostantivi irregolari; ogni verbo frasale viene indicato chiaramente nel testo e viene trattato come voce a sé stante; note di cultura per spiegare concetti relativi ai paesi di lingua inglese.

This book investigates the representation of the Axis War – the wars of aggression that Fascist Italy fought in North Africa, Greece, the Soviet Union, and the Balkans, from 1940 to 1943 – in three decades of Italian literature. Building on an innovative and interdisciplinary methodology, which combines memory studies, historiography, thematic criticism, and narratology, this book explores the main topoi, themes, and masterplots of an extensive corpus of novels and memoirs to assess the contribution of literature to the reshaping of Italian memory and identity after the end of Fascism. By exploring the influence that public memory exercises on literary depictions and, in return, the contribution of literary texts to the formation and dissemination of a discourse about the past, the book examines to what extent Italian literature helped readers form an ethical awareness of the crimes committed by members of their national community during World War II.

From its first edition the purpose of Walford has been to identify and evaluate the widest possible range of reference materials. No rigid definition of reference is applied. In addition to the expected bibliographies, indexes, dictionaries, encyclopaedias, and directories, a number of important textbooks and manuals of general practice are included. While the majority of the items are books, Walford is a guide to reference material. Thus periodical articles, microforms, online and CD-ROM sources are all represented. In this volume a particular effort has been made to improve coverage of the latter two categories.

Leonardi analyses and evaluates the problems that may arise from ideology-driven shifts in the translation process as a result of gender differences. First she offers a theoretical background, draws up an analytic checklist of linguistic tools and states the main hypothesis, then she tests the hypothesis with four empirical analyses.
