A History of World Societies introduces students to the global past through social history and the stories and voices of the people who lived it. Now published by Bedford/St. Martin's, and informed by the latest scholarship, the book has been thoroughly revised with students in mind to meet the needs of the evolving course. Proven to work in the classroom, the book's regional and comparative approach helps students understand the connections of global history while providing a manageable organization. With more global connections and comparisons, more documents, special features and activities that teach historical analysis, and an entirely new look, the ninth edition is the most teachable and accessible edition yet. Test drive a chapter today. Find out how.

Create a common language for the school, teachers, and parents with the help of this Teacher's Guide. With supporting materials for easy and effective family-night activities centered around a content area, teachers can easily encourage parent involvement. These activities help acquaint parents and students with the first-grade classroom, creating a more cohesive learning environment for students.

Packed with high-quality photos and illustrations, DELMAR'S STANDARD TEXTBOOK OF ELECTRICITY, 6e combines comprehensive coverage of basic electrical theory with practical how to information that prepares readers for real-world practice. Its clear presentation uses schematics and large illustrations to bring concepts to life, while examples throughout demonstrate how to do common tasks electricians perform. Succinct units covering one or two topics make the book easy to digest. The Sixth Edition is updated to the 2014 NEC and includes new coverage of AC servo motors, AC torque motors, motor nameplate data, RL time constants, AC waveforms, and more. An interactive online course mode called Mindtap that includes the entire text, multi-media assets, customization and social media options will be available. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

In this new book from the author of e-Learning on a Shoestring and Better than Bullet Points, Jane Bozarth has gathered a wealth of tools from leading training practitioners. Anyone—from the interested manager to the experienced training professional—can

The American Promise appeals to all types of students and provides the right resources and tools to support any classroom environment. A clear political framework supports a vibrant social and cultural story that embraces the voices of hundreds of Americans — from presidents to pipefitters and sharecroppers to suffragettes — who help students connect with history and grasp important concepts. Now in its fifth edition, The American Promise does even more to increase historical analysis skills and facilitate active learning, and its robust array of multimedia supplements make it the perfect choice for traditional face-to-face classrooms, hybrid courses, and distance learning.

The American Promise is more teachable and memorable than any other U.S. survey text. The balanced narrative braids together political and social history so that students can discern overarching trends as well as individual stories. The voices of hundreds of Americans - from Presidents to pipe fitters, and sharecroppers to suffragettes - animate the past and make concepts memorable. The past comes alive for students through dynamic special features and a stunning and distinctive visual program. Over 775 contemporaneous illustrations - more than any competing text - draw students into the text, and more than 180 full - color maps increase students' geographic literacy. A rich array of special features complements the narrative offering more points of departure for assignments and discussion. Longstanding favorites include Documenting the American Promise, Historical Questions, The Promise of Technology, and Beyond American's Borders, representing a key part of our effort to increase attention paid to the global context of American history.

This annual focuses on change management. It is designed as a ready-made toolkit of ideas, methods, techniques and models.

Based on the highly successful A History of Western Society, Understanding Western Society: A Brief History captures students' interest in the everyday life of the past and ties social history to the broad sweep of politics and culture. Abridged by 30%, the narrative is paired with innovative pedagogy, designed to help students focus on significant developments as they read and review. An innovative, three-step end-of-Chapter study guide helps students master key facts and move toward synthesis.

Students of Western civilization need more than facts. They need to understand the cross-cultural, global exchanges that shaped Western history; to be able to draw connections between the social, cultural, political, economic, and intellectual happenings in a given era; and to see the West not as a fixed region, but a living, evolving construct. These needs have long been central to The Making of the West. The book's chronological narrative emphasizes the wide variety of peoples and cultures that created Western civilization and places them together in a common context, enabling students to witness the unfolding of Western history, understand change over time, and recognize fundamental relationships.

Important for beginning teachers and media specialists, this guide discusses the use of technology from a pedagogical

perspective. This book is designed to assist new and practicing teachers with successfully implementing technology into the curriculum. It focuses on the pedagogical issues of technology--using technology as an instructional and management tool, and using technology to meet students' needs. Includes blackline masters to assist educators with using technology in their classrooms, as well as follow-up activities for teachers to apply what they have learned. Grades K-12.

Now from Bedford/St. Martin's, *A History of Western Society* is one of the most successful textbooks available because it captures students' interest in the everyday life of the past and ties social history to the broad sweep of politics and culture. The tenth edition has been thoroughly revised to strengthen the text's readability, heighten its attention to daily life, and incorporate the insights of new scholarship, including an enhanced treatment of European exploration and a thoroughly revised post-1945 section. With a dynamic new design, new special features, and a completely revised and robust companion reader, this major revision makes the past memorable and accessible for a new generation of students and instructors.

In response to the ever-changing challenges of teaching the survey course, *Understanding the American Promise* combines a newly abridged narrative with an innovative chapter architecture to focus students' attention on what's truly significant. Each chapter is fully designed to guide students' comprehension and foster their development of historical skills. Brief and affordable but still balanced in its coverage, this new textbook combines distinctive study aids, a bold new design, and lively art to give your students a clear pathway to what's important.
