

Instructors Manual To Accompany Managerial Economics Second Edition

The goal of this resource manual is to help students understand crime, the origins of criminological theory, the emergence of sociological criminology and the subcultures of delinquency. It also provides information on the different types of crimes that exist.

Instructor's Manual to accompany Microcomputer Use Word Processors, Spreadsheets, and Data Bases with Accompanying MicroUSE Software focuses on the concepts and functions common to most commercial word processing, electronic spreadsheet, database management software, and other microcomputer software. Computer engineers will find the book useful.
