The incredible diversity in American cooking was a real revelation to me. So although I went looking for "quintessential American food," my conclusion is that there is no such thing; instead there's a huge wealth of seriously exciting dishes. Many of us outside of America may think we already know all there is to know about it from movies or the occasional holiday, but the truth is that this doesn't even scratch the surface. In many ways, the country is still a bit of a mystery to us. This trip was my chance to explore the ingredients, food culture, and traditions within this incredible country. I felt that I knew cities like New York and Los Angeles pretty well, but this time I ventured beyond the neighborhoods I was familiar with and into areas better known for their immigrant communities. I was rewarded with some of the most incredible food I've ever tasted. The story was the same when I moved beyond the big cities. Whether it was Creole cooking in Louisiana or soul food in Georgia, the Mexican influences in Arizona or the hearty cowboy cuisine of Big Sky Country, every place I went had its unique treasures. I came back with more recipes than I knew what to do with, and although it was tough, I managed to narrow this book down to 120 of my absolute favorites. These are my takes on some of the best food I came across, as well as a few things I made up along the way. I hope you enjoy them, and maybe even discover new and inspiring sides to America you've never seen before. Enjoy!

Tucked inside are recipes "so easy that it feels like cheating," dishes that "will leave your guests speechless," and a peek into Bridget and Julia's lives! Learn how Bridget has a sweet tooth by the way she writes about the Ultimate Cinnamon Buns she makes for her sons, and the Dutch Baby recipe that recalls her grandfather, who developed a love for this Bavarian classic when stationed in Germany after the war. Julia reveals her entertaining secrets and shortcuts with recipes like Stuffed Mushrooms with Boursin and Prosciutto, Grilled Shrimp

Skewers with Lemon-Garlic Sauce (a game changer for her), and Lemon-Herb Cod Fillets with Crispy Garlic Potatoes (a recipe that is "so easy that it feels like cheating, like I'm not really cooking").

"Reimagine Italian American cooking with more than 125 big-hearted recipes from the celebrated husband-and-wife chef team of Don Angie in New York City. Old-school, Italian American "red sauce" is a beloved style of cooking that is rich with nostalgia, a deep sense of family, and the promise of irresistible food--copious amounts of it. Offerings may include an endless assortment of antipasti at the start of every meal, multi-layered chicken and eggplant parms, enormous casseroles of luscious baked pastas laden with molten cheese--and don't forget dessert. In their debut cookbook, Angie Rito and Scott Tacinelli, the chefs of Don Angie in New York City's West Village, reinvigorate the genre with a modern point of view that includes multicultural influences inspired by New York City and updated dishes that proudly straddle the line between Italian and American. Italian American is organized by the backbones of the cuisine, including cold and hot antipasto, ragus, pastas, and even entire chapters dedicated to lasagna and meatballs. Inspired by influences both old and new, these comforting dishes feel familiar but are far from expected, including Campari & Orange Sticky Ribs, Eggplant Pinwheel Lasagna, Shrimp Parm Meatballs, and Spiced Lamb Ragu alla Marsala. Rich with family history from Scott and Angie's immigrant grandparents and great-grandparents, Italian American provides an essential, spirited introduction to an unforgettable way of cooking"--

With this companion book to his new Food Network show, the irrepressible, much-loved chef returns with a new collection of more than 100 fresh, healthy recipes as well as advice on growing vegetables. Hyperion

Cooking good food from scratch is a skill that can save you money, keep you healthy, and make you and your family and friends happy. What I've tried to do in this book is pick a whole load of meals that we all love to eat and break them down to make them as simple as possible. There are plenty of clear instructions and step-by-step pictures, so whether you're an accomplished cook or a complete beginner, you'll be able to enjoy cooking and achieve great results in the kitchen. This book is inspired by all the people I've met who thought they could never and would never learn how to cook. I believe that good home cooking is one of the most essential, fundamental skills that every single person on this planet should have in order to look after themselves, their families, and their friends. This food revolution is all about people learning how to make a recipe, then teaching that recipe to their friends and family . . . if enough people do this, pretty soon everyone will be cooking. So cook something today, then PASS IT ON!

This cookbook will celebrate the vibrant food of six very different countries. Each chapter will focus on a different city or region: Marrakech, Athens, Venice, Andalucia, Stockholm and the Ardeche region of France. The food in each chapter will be a mixture of classic dishes and new recipes inspired by the things Jamie learns on his travels. Beautiful reportage photography of the faces, places and ingredients will accompany each chapter. Jamie says: 'The food I've embraced on each trip is a mixture of what you could call the clichéd star dishes - the tagines of Morocco, the flamboyant paella of Spain and the zingy fresh flavours of a classic Greek salad - and the recipes that I've been inspired to make after walking through the markets and soaking up the vibes of each place. What you'll find in this book is fun, optimistic, escapist food you can actually cook and enjoy in your own home.'

7 Ways to reinvent your favorite ingredients with more than 120 new, exciting and tasty recipes Naked Chef television personality Jamie Oliver has looked at the top ingredients we buy week in, week out. at work or looking after the kids. So, rather than trying to change what we buy, Jamie wants to give everyone new inspiration for their favorite supermarket ingredients. Jamie will share 7 achievable, exciting and tasty ways to cook 18 of our favorite ingredients, and each recipe will include no more than 8 ingredients. Across the book, at least 70% of the recipes will be everyday options from both an ease and nutritional point of view, meaning you're covered for every day of the week. One of the Millions's Most Anticipated Books of 2021 America's modern culinary history told through the lives of seven pathbreaking chefs and food writers. Who's really behind America's appetite for foods from around the globe? This group biography from an electric new voice in food writing honors seven extraordinary women, all immigrants, who left an indelible mark on the way Americans eat today. Taste Makers stretches from World War II to the present, with absorbing and deeply researched portraits of figures including Mexican-born Elena Zelayeta, a blind chef; Marcella Hazan, the deity of Italian cuisine; and Norma Shirley, a champion of Jamaican dishes. In imaginative, lively prose, Mayukh Sen—a queer, brown child of immigrants—reconstructs the lives of these women in vivid and empathetic detail, daring to ask why some were famous in their own time, but not in ours, and why others shine brightly even today. Weaving together histories of food, immigration, and gender, Taste Makers will challenge the way readers look at what's on their plate—and the women whose labor, overlooked for so long, makes those meals possible.

Having grown up in his parents' gastropub, Jamie Oliver has always had a special place in his heart for British cooking. And in recent years there's been an exciting revolution in the British food world in general. English chefs, producers, and artisans are retracing old recipes, rediscovering quality ingredients, and focusing on simplicity and quality. Jamie celebrates the best of the old and new (including classic British immigrant food) in his first cookbook focused on England. Here are over 130 great, easy-to-prepare recipes, ranging from salads—Heavenly Salmon and Epic Roast Chicken; to puddings—Rhubarb and Rice Pudding and Citrus Cheesecake Pots; to Sunday lunch—Guinness Lamb

Shanks and Roast Quail Skewers; and, of course, the crumbliest scones. America has already fallen for the new British gastropub cooking, with popular restaurants by chefs such as April Bloomfield of The Spotted Pig and the John Dory. Now Jamie shows how to make the same delicious food at home. This is definitely not your grandmother's mushy peas!
