Questions for the DMV Driver's License Exam. The most comprehensive collection of real questions for the theoretical driving test and driver's license. This little book covers the most important questions for the Driving Test, for Learners, Renewal, and for Seniors. You don't need to study a complete manual, study the questions and answers you really need to know to pass your driving test quickly and easily. One hundred questions for the future driver that we present to the reader, intend to contribute to the road safety education that everyone assumes by moving a rudder between their hands. It is enough just to remember that there are millions of drivers, pedestrians, motorcyclists, and cyclists who use the roads every day in the United States and, all, want to return home after school, work or vacations. That is why the citizen, upon receiving his driver's license, acquires new duties before the community. It is, so to speak, the maximum responsibility on the road because it guarantees their safety, that of the passengers who accompany them and that of other people who make the same use of the road system. The future driver, which is you, grows when you bring your civic ethics in unison with courtesy and road responsibility. Thus it contributes to the reduction of traffic accidents and therefore to the loss of human and material life.
