The most thorough theoretical foundation available Writing Arguments: A Rhetoric with Readings, 10/e integrates four different approaches to argument: the enthymeme as a logical structure, the classical concepts of logos, pathos, and ethos, the Toulmin system, and stasis theory. Focusing on argument as dialogue in search of solutions instead of a pro-con debate with winners and losers, it is consistently praised for teaching the critical-thinking skills needed for writing arguments. Major assignment chapters each focus on one or two classical stases (e.g. definition, resemblance, causal, evaluation, and policy). Each concept is immediately reinforced with discussion prompts, and each chapter ends with multiple comprehensive writing assignments. This comprehensive version contains a superlative thematic anthology of arguments on contemporary topics and some classics for balance. Also available in a Brief version with rhetoric only (0133910695) and a Concise version(013396986X) which is a redaction of the Brief edition. A variety of exercise types--including self-editing, collaborative writing, and MyWritingLab (www.mywritinglab.com) activities--are used to maintain students' interest in the content. A "Writing Paragraphs" section at the end of each chapter offers instruction on writing effective topic sentences and paragraphs. "Writer's Tips" throughout the text provide practical advice for students on matters such as selecting the best dictionary, formatting papers, and so on. A chapter review summarizes the grammar coverage in each chapter, reinforcing the material needed to improve. An end-of-book "Checklist for the ESL Writers" addresses troublesome and confusing problems ESL students encounter with a new language. The in-chapter exercises provide additional opportunities for practice and review based on topics of compelling interest. Chapter Review Tests offer feedback to alert students to the areas in which they would benefit from more practice. The rule explanations and term definitions are extremely accessible and simple to follow allowing students to bolster their understanding of the instruction and content. Exercises that integrate grammar and sentence writing at the end of every chapter demonstrate how grammar knowledge enhances writing skills. MyWritingLab links direct students to additional practice opportunities at Pearson's robust online practice resource MyWritingLab. "Language Tips" boxes in every chapter provide more help to students whose first language is not English, and complement the "Checklist for ESL Writers." 0321921518 / 9780321921512 Reviewing Basic Grammar Plus NEW MyWritingLab with eText -- Access Card Package Package consists of 020524730X / 9780205247301 Reviewing Basic Grammar 0205870147 / 9780205870141 NEW MyWritingLab with Pearson eText -- Valuepack Access Card NOTE: Before purchasing, check with your instructor to ensure you select the correct ISBN. A lively, integrated approach that emphasizes the connection of the reading and writing processes *Pathways: Scenarios for Paragraph and Sentence Writing, Fourth Edition* teaches fundamental sentence and paragraph writing skills by engaging student interest, maintaining a focus on expressing ideas rather than on following rules. Students learn grammar in the context of the "whole paper." Seven of the 17 chapters deal with grammar topics; in these chapters, students examine student essays, read and respond to ideas, and write and revise paragraphs. In Parts II through IV, students apply what they have learned about sentence-level correctness to their own writing as they explore logical paragraph development and organization of ideas. The last two chapters introduce essay writing, enabling students to accelerate from paragraphs to essays, with the goal of achieving stronger, more fully developed writing skills. Effective writing skills for students of all majors and interests One of the best-selling interdisciplinary composition texts for over twenty-five years, *Writing and Reading Across the Curriculum* guides students through the essential college-level writing skills of summary, critique, synthesis, and analysis. The book is divided into three parts. Part one, "Structures and Strategies," takes students step-by-step through the process of writing papers based on source material, explaining and demonstrating how summaries, critiques, syntheses, and analyses can be generated from the kinds of readings students will encounter later in the book--and throughout their academic careers. Part two, "Brief Takes," bridges the gap between writing instruction and readings with a series of step-by-step exercises. The anthology in part three provides a wide range of carefully selected, cross-disciplinary readings, including two new chapters on rumor and advertising. Topics are both engaging and

teachable, and students will appreciate how these topics correspond to their courses in the humanities, sciences, and social sciences.
