The definitive book on London music by the widely-acclaimed music writer.

London is the city of immigrant music, West End musicals, Ronnie Scott's jazz club, Abbey Road, mod culture, the Kinks, the Who and the Rolling Stones, all of whom transformed the city and were in turn transformed by it. In this fascinating history of the city's popular music, Paul Du Noyer, critically-acclaimed music writer and founding editor of MOJO, explores London's native talent, from Noël Coward and David Bowie to the Sex Pistols and Amy Winehouse, as well as international artists who were also influenced by the city. From Elizabethan traders and public execution songs, to The Beggar's Opera and East End music halls, right up to modern day troubadours such as Dizzee Rascal and Lily Allen,

this captivating book will appeal to residents, visitors and exiles alike, as well as lovers of popular culture, social history and music. Above all, it is a celebration of the city -- packed with stories of the people and places that have made London the most exciting and innovative musical city on earth. From the Trade Paperback edition.

A complete and fascinating chronicle of Beatles music and history, *Beatlesongs* details the growth, evolution, and dissolution of the most influential group of our time. Drawing together information from sources that include interviews, insider accounts, magazines, and news wire services, this is a complete profile of every Beatles song ever written -- from recording details such as who played which instruments and sang what harmonies to how each song fared on the charts and how other musicians and critics felt about it. Chronologically arranged by U.K. release date, *Beatlesongs* nails down dates, places, participants, and other intriguing facts in a truly remarkable portrait of the Liverpudlian legends. Behind each song is a story -- like Paul's criticism of George's guitar playing during the Rubber Soul sessions, John's acid trip during the Sgt. Pepper's session, and the selection process for the Revolver album cover. And carefully examined along the way are the Beatles' evolving musical talents, their stormy private lives, and their successful -- and unsuccessful -- collaborations. *Beatlesongs* is truly an

We didn't know where it was all going. We just didn't know. One day in September 1968 Don McCullin, then regarded as the world's most accomplished war photographer, received a commission from the Apple Corporation to spend a day photographing the Beatles. McCullin had just returned from covering the bitter fighting during the Tet Offensive in Vietnam, and was the most hardened photojournalist in the field. He was astonished by the invitation. On Sunday 28 July he met the Beatles at the Sunday Times studio and began to photograph them in colour for a Life magazine cover. The day that followed has become known in Beatles lore as 'The Mad Day Out'. McCullin shot twenty rolls of black-and-white film in various locations across London, from the banks of the Thames to Paul McCartney's garden. Apart from the cover photograph and two pictures in McCullin's recent book *In England*, we believe the work to be otherwise unpublished. The timing of this day was significant. At the height of their international fame following the release of Sgt. Pepper's Lonely Hearts Club Band, the Beatles were in the middle of recording the White Album. The war was raging in Vietnam and riots had spread through capital cities worldwide. It was the very moment

of a generational divide, and the Beatles were the iconic figureheads of the youth movement. One of the most poignant photographs taken that day was of John Lennon posing as dead, surrounded by the other three, in an image that he himself had carefully choreographed. What was an intentional pose in protest is now seen as tragic and prophetic. These pictures are of four inspired musicians on the cusp of the change. They mark the passing of an era in which we can glimpse our own lost youth.

illness which seriously affected his schoolwork. Despite having all the odds against him, he became one of the most famous people on the planet. The Ringo Starr Encyclopedia completes the Virgin series on the individual Beatles and in the most comprehensive book about Ringo Starr ever written.

(Piano Vocal). This sheet music features an arrangement for piano and vocal with guitar chord frames, with the melody presented in the right hand of the piano part as well as in the vocal line.

A unique insight into the friendship between the members of the Beatles through postcards sent to Ringo from John, Paul and George. Sensationally presented, this book features 53 postcards sent by John Lennon, George Harrison and Paul McCartney to Ringo Starr. The superb facsimile reproductions of the cards, complete with the occasional drawing, depict both the spontaneous wit and art of the Beatles. The reproduction of the postcards is supplemented by revealing text from Ringo explaining the meaning behind the cards and documenting the corresponding moments in his life. This visually stunning and intriguing book is, quite simply, a must-have for anyone interested in the story of the Beatles phenomenon.

The Art of Jazz explores how the expressionism and spontaneity of jazz spilled onto its album art, posters, and promotional photography, and even inspired

standalone works of fine art. Everyone knows jazz is on the cutting edge of music, but how much do you know about its influence in the visual arts? With album covers that took inspiration from the avant-garde, jazz's primarily African American musicians and their producers sought to challenge and inspire listeners both musically and visually. Arranged chronologically, each chapter covers a key period in jazz history, from the earliest days of the twentieth century to today's postmodern jazz. Chapters begin with substantive introductions and present the evolution of jazz imagery in all its forms, mirroring the shifting nature of the music itself. With two authoritative features per chapter and over 300 images, *The Art of Jazz* is a significant contribution to the literature of this intrepid art form.

CHRIS O'DELL WASN'T FAMOUS. SHE WASN'T EVEN ALMOST FAMOUS. BUT SHE WAS THERE. * She was in the studio when the Beatles recorded *The White Album*, *Abbey Road*, and *Let It Be*, and she sang in the "Hey Jude" chorus. * She lived with George Harrison and Pattie Boyd and unwittingly got involved in Pattie's famous love story with Eric Clapton. * She's the subject of Leon Russell's "Pisces Apple Lady." * She worked for the Rolling Stones on their infamous 1972 tour and did a drug run for Keith Richards. * She's "the woman down the hall" in Joni Mitchell's song "Coyote," the "mystery woman" pictured on the Stones album *Exile on Main Street*, and the "Miss O'Dell" of

Tune In is the first volume of All These Years—a highly-anticipated, groundbreaking biographical trilogy by the world's leading Beatles historian. Mark Lewisohn uses his unprecedented archival access and hundreds of new interviews to construct the full story of the lives and work of John Lennon, Paul McCartney, George Harrison, and Ringo Starr. Ten years in the making, Tune In takes the Beatles from before their childhoods through the final hour of 1962—when, with breakthrough success just days away, they stand on the cusp of a whole new kind of fame and celebrity. They've one hit record ("Love Me

Do") behind them and the next ("Please Please Me") primed for release, their first album session is booked, and America is clear on the horizon. This is the lesser-known Beatles story—the pre-Fab years of Liverpool and Hamburg—and in many respects the most absorbing and incredible period of them all. Here is the complete and true account of their family lives, childhoods, teenage years and their infatuation with American music, here is the riveting narrative of their unforgettable days and nights in the Cavern Club, their laughs, larks and adventures when they could move about freely, before fame closed in. For those who've never read a Beatles book before, this is the place to discover the young men behind the icons. For those who think they know John, Paul, George, and Ringo, it's time to press the Reset button and tune into the real story, the lasting word.

Jonathan Cott met John Lennon in 1968 and was friends with him and Yoko Ono until John's death in 1980. He has kept in touch with Yoko since that time, and is one of the small group of writers who understands her profoundly positive influence on Lennon. This deeply personal book recounts the course of those friendships over the decades and provides an intimate look at two of the most astonishing cultural figures of our time. And what Jonathan Cott has to say and tell will be found nowhere else.
