"It's the end of a long summer in Hurt Village, a housing project in Memphis, Tennessee. A government Hope Grant means relocation for many of the project's residents, including Cookie, a thirteen-year-old aspiring rapper, along with her mother, Crank, and great-grandmother, Big Mama. As the family prepares to move, Cookie's father, Buggy, unexpectedly returns from a tour of duty in Iraq. Ravaged by the war, Buggy struggles to find a position in his disintegrating community, along with a place in his daughter's wounded heart."--Publisher description.

British Social Realism details and explores the rich tradition of social realism in British cinema from its beginnings in the documentary movement of the 1930s to its more stylistically eclectic and generically hybrid contemporary forms.

Samantha Lay examines the movements, moments and cycles of British social realist texts through a detailed consideration of practice, politics, form, style and content, using case studies of key texts including Listen to Britain, Saturday Night and Sunday Morning, Letter to Brezhnev, and Nil by Mouth. In discussing the work of many prominent realist filmmakers, the book considers the challenges for social realist film practice and production in Britain, now and in the future.

A candid and surprising memoir of the early life of one of England's most acclaimed and enduring post-WWII writers. Born in 1928 into a poverty-stricken family in working-class Nottingham, bestselling British novelist Alan Sillitoe's childhood was marked by his father's unpredictable and violent rage, as well as a near-certain condemnation to a life of labor on an assembly line. His family relocated frequently to avoid rent collectors, trading in one bug-infested hovel for another. Though intelligent and curious, the young author-to-be failed his grammar school entrance exams, and it seemed he was destined for work in a factory. The onset of Sillitoe's teenage years, however, coincided with the advance of Hitler into Russia, and the war offered a chance for the boy to seek out a different fate. At the age of fourteen, Sillitoe used a fake ID to enroll in the Air Training Corps and went on to join the Ministry of Aircraft Production as an air traffic control assistant. He dreamed of becoming a pilot, but the war ended just after he qualified for training and he was instead shipped off to the Malayan jungle during the Communist insurgency as a radio operator for the Royal Air Force (RAF). After two years of living from one wireless watch to the next—taking in bearings and atmospheric readings through the radio, and exploring dangerous and primal landscapes by foot—Sillitoe finally returned to a prospectless postwar England and was diagnosed with tuberculosis. But this curse soon became a blessing: In the RAF hospital, Sillitoe began to read—everything from Kant to Descartes to Bernard Shaw—and he decided to become a writer. Already a

veteran on an RAF disability pension at the age of twenty-one, Sillitoe began writing full-time, neither his physical challenges nor his numerous rejections from publishers deterring him in the least. He joined the Nottingham Writers' Club, and his short stories began to achieve some minor local success. Soon after, a chance meeting with the American poet Ruth Fainlight led to full-blown love, and the two set off for France eager to live in a bucolic setting where they could dedicate all of their time to writing. Circumstance and favorable exchange rates then led the couple to Spain where Sillitoe continued his literary pursuits, met many artists and writers, had run-ins with gypsies, and even underwent police interrogations. Four unpublished novels later—and after nearly a decade of honing his craft—Sillitoe finally found staggering success in his working-class novel *Saturday Night and Sunday Morning* and his collection of short stories *The Loneliness of the Long-Distance Runner*. Written with Sillitoe's signature simplicity, this in-depth autobiography not only gives insight into the formative years and mental maturation of one of Britain's most influential writers, but also tells a great story of an underprivileged man who, with perseverance, made the most of his particular fate.

(Applause Libretto Library). This 1995 Pulitzer Prize-winning musical was inspired by the painting *A Sunday Afternoon on the Island of La Grande Jatte* by Georges Seurat. A complex work revolving around a fictionalized Seurat immersed in single-minded concentration while painting the masterpiece, the production has evolved into a meditation on art, emotional connection, and community. This publication contains the entire script of the musical. "Sunday is itself a modernist creation, perhaps the first truly modernist work of musical theatre that Broadway has produced ... a watershed event that demands nothing less than a retrospective, even revisionist, look at the development of the serious Broadway musical." Frank Rich, *The New York Times Magazine*

Born into a magical Cree world in snowy northern Manitoba, Champion and Ooneemeetoo Okimasis are all too soon torn from their family and thrust into the hostile world of a Catholic residential school. Their language is forbidden, their names are changed to Jeremiah and Gabriel, and both boys are abused by priests. As young men, estranged from their own people and alienated from the culture imposed upon them, the Okimasis brothers fight to survive. Wherever they go, the Fur Queen--a wily, shape-shifting trickster--watches over them with a protective eye. For Jeremiah and Gabriel are destined to be artists. Through music and dance they soar.

NEW YORK TIMES BESTSELLER "I come from a family forged by tragedies and bound by a remarkable, unbreakable love," Hunter Biden writes in this deeply moving memoir of addiction, loss, and survival. When he was two years old, Hunter Biden was badly injured in a car accident that killed his mother and baby sister. In 2015, he suffered the devastating loss of his beloved big brother, Beau, who died of brain cancer at the age of forty-six. These hardships were compounded by the collapse of his marriage and a years-long battle with drug and alcohol addiction. In *Beautiful Things*, Hunter recounts his descent into substance abuse and his tortuous path to sobriety. The story ends with where Hunter is today—a sober married man with a new baby, finally able to appreciate the beautiful things in life.

An existential saga of working-class life in a British factory town and military service in the torrid jungles of the Far East from award-winning, bestselling author Alan Sillitoe *Key to the Door* turns away from the boisterous pursuits of Arthur Seaton made infamous in *Saturday Night and Sunday Morning*, and focuses instead on the quieter rebellions of his older brother, Brian. Brian's childhood and adolescence in the grimy streets of Nottingham are shaped by the Depression-era struggles of his family, the life and culture of the factory town, and the love and bullying of his iron-willed grandfather and erratic father. When Brian reaches adulthood, he frequents the local pubs, works hard at a cardboard factory, and runs into a sticky situation with a woman named Pauline that

obliges him to marry her. Soon though, he is conscripted for the postwar occupation of Malaya, and his true colors begin to show. Brian declares that he only wears his uniform to collect his paycheck; he shows contempt for the soldiers who obey the rules; he pursues a relationship with an exotic Chinese dancer; and he sends poetry into the jungle in Morse code. At once a vivid family portrait and a study of “the desolate, companionless void of protest” prevalent in postwar England, *Key to the Door* establishes the Seaton Novels as a broad and sweeping saga of twentieth-century British life, set against the backdrop of Nottingham. This ebook features an illustrated biography of Alan Sillitoe including rare images from the author’s estate.

At 22 years of age, Arthur Seaton is a hard-drinking lathe operator in a bicycle factory. Before long, however, his devil may care life-style gets him into some serious trouble, and Arthur's life takes a turn that not even he could have imagined.

The *Open Door* follows *Saturday Night and Sunday Morning* as the final volume in the Seaton series. Returning on a troopship from Malaya in 1949, Brian Seaton (Arthur's brother) comes back to a Nottingham world of rationing, the black market, a wife he no longer loves and a child who does not recognise him. He is full of life and lust, but he has tuberculosis, forcing a long stay in a military hospital where he falls for first one nurse, then a second, while carrying on a relationship with another TB sufferer back in Nottingham. In the background, this partially autobiographical novel reveals that Seaton is starting to write, meeting others like him as he realises there is a wider world than the back streets of his Midlands home.

Alan Sillitoe’s bestselling debut novel about debauchery, infidelity . . . and the morning after Arthur Seaton, a ladies’ man and factory-worker extraordinaire, has just downed seven gins and eleven pints at his local pub. Thoroughly smashed, he proceeds to tumble down an entire flight of stairs, pass out, and wake up again only to vomit on a middle-aged couple. Luckily Arthur’s lover, Brenda—a married woman with two kids—lets Arthur escape to her bed. Such are Saturdays in this bachelor’s life. When Arthur is not romancing Brenda, evading her husband, or drinking himself silly, he is turning up his nose at authority, disparaging the army, and trying to avoid paying too much income tax. Moreover, Arthur’s rascalion ways soon lead him into the bed of Brenda’s younger sister—who is also married. But no matter how much fun there is to be had, every Saturday night has its Sunday morning, replete with hangovers and consequences: A local bigmouth starts gossiping about Arthur’s affairs, Brenda gets pregnant, the husbands find out what’s been going on, and Arthur suffers a terrible beating. Perhaps the time has come for this playboy to settle down and marry that third woman he has been seeing on the side . . . One of the first books to sell over a million copies in the UK when it was released in paperback, *Saturday Night and Sunday Morning* has since become a key literary reference of postwar British culture and society, as well as a classic British New Wave film. This ebook features an illustrated biography of Alan Sillitoe including rare images from the author’s estate.

The long-anticipated sequel to Alan Sillitoe’s bestselling classic 1950s novel *Saturday Night and Sunday Morning* Arthur and Brian Seaton are heading back to their hometown, Nottingham, some forty-odd years after the close of *Saturday Night and Sunday Morning*. The brothers plan to surprise Brian’s first love, Jenny Tuxford, on her seventieth birthday. Arthur, the notorious lothario, still has some of his old spark, but it has been hampered by domestic life and his wife’s

recent cancer diagnosis. Meanwhile, Brian, now a failed novelist but successful television writer living in London, is struggling with dissatisfaction and emotional regrets. He and Jenny had fooled around in their teenage years—a lot of heavy petting through complicated clothing on her parents' settee—but Jenny ended up marrying someone else. Now that Jenny's husband has passed away, will sparks fly between her and Brian again? It is clear that the Nottingham of their youth no longer exists. The trams are now buses; the collieries and ironmongers have been replaced by cell phone shops and halal grocers; new high-rise apartments have sprung up; and the idle young hang around the city pubs whining about the dole. Where *Saturday Night and Sunday Morning* portrayed the chaotic energy of youth, *Birthday* is an investigation of the other end of the spectrum: the contemplation of missed chances and terminal decline, and the awareness that "death's blackout could descend at any minute." This ebook features an illustrated biography of Alan Sillitoe including rare images from the author's estate.

Bradford riots, 7-8 July 2001: over 300 police officers injured, 297 people arrested. Two hundred jail sentences issued totalling 604 years. Estimated damage: 7 million. *Saturday Night and Sunday Morning* marks the tenth anniversary of the Bradford riots in this thought-provoking, fascinating and balanced book."

In this accessible historical overview of Sunday, noted scholar Justo Gonzalez tells the story of how and why Christians have worshiped on Sunday from the earliest days of the church to the present. After discussing the views and practices relating to Sunday in the ancient church, Gonzalez turns to Constantine and how his policies affected Sunday observances. He then recounts the long process, beginning in the Middle Ages and culminating with Puritanism, whereby Christians came to think of and strictly observe Sunday as the Sabbath. Finally, Gonzalez looks at the current state of things, exploring especially how the explosive growth of the church in the Majority World has affected the observance of Sunday worldwide. Readers of this book will rediscover the joy and excitement of Sunday as early Christians celebrated it and will find fresh, inspiring perspectives on Sunday amid our current culture of indifference and even hostility to Christianity.

For those who could read between the lines, the censored news out of China was terrifying. But the president insisted there was nothing to worry about. Fortunately, we are still a nation of skeptics. Fortunately, there are those among us who study pandemics and are willing to look unflinchingly at worst-case scenarios. Michael Lewis's taut and brilliant nonfiction thriller pits a band of medical visionaries against the wall of ignorance that was the official response of the Trump administration to the outbreak of COVID-19. The characters you will meet in these pages are as fascinating as they are unexpected. A thirteen-year-old girl's science project on transmission of an airborne pathogen develops into a very grown-up model of disease control. A local public-health officer uses her worm's-eye view to see what the CDC

misses, and reveals great truths about American society. A secret team of dissenting doctors, nicknamed the Wolverines, has everything necessary to fight the pandemic: brilliant backgrounds, world-class labs, prior experience with the pandemic scares of bird flu and swine flu...everything, that is, except official permission to implement their work. Michael Lewis is not shy about calling these people heroes for their refusal to follow directives that they know to be based on misinformation and bad science. Even the internet, as crucial as it is to their exchange of ideas, poses a risk to them. They never know for sure who else might be listening in.

Research Paper (undergraduate) from the year 2006 in the subject English Language and Literature Studies - Literature, , language: English, abstract: The sweeping assertion "once a rebel, always a rebel," soliloquised by Alan Sillitoe's character Arthur Seaton in "Saturday Night and Sunday Morning", published in 1958, echoes the dissent of the Angry Young Men of the late fifties and sixties in Britain and functions as a binding theme and narrative strategy yoking together the different fragments of the novel. The purpose of this paper is to study the various aspects of the anti-hero's dissenting action, assess the limits of his rebellion and eventually relate the complexity of the narrative to a larger corpus of literature that is more likely to be dubbed "literature of dissent" rather than "literature of exhaustion" (John Barth 70 – 83); although Sillitoe's novel may partake of both. Such subversive trends, typical of post-war British literature, permeate a wide spectrum of working-class ethics ranging from mere industrial dissent to more life-enhancing assent. The ultimate purpose of such literary representation of modern life in Britain is to question, at the same time, the bourgeois standards of profitability and the controversial identity of the marginally subversive working-class anti-hero trapped between hope and despair, revolt and submission.

Including more than 30 of the greatest hymns of all time, Sunday Morning Companion is designed as a practical resource for church pianists. These arrangements are appropriate for preludes, offertories and postludes, and are written so that minimal preparation time is required. Additionally, the pieces are arranged in a variety of styles that will fit many different worship settings. A New York Times bestseller Named a Best Book of 2020 by the Australian Book Review, AV Club, Books-a-Million, Electric Literature, Esquire, the Financial Times, Good Housekeeping (UK), The Guardian, Kirkus Reviews, Literary Hub, the New Statesman, the New York Public Library, NPR, the Star Tribune, and TIME Marilynne Robinson, winner of the Pulitzer Prize and the National Humanities Medal, returns to the world of Gilead with Jack, the latest novel in one of the great works of contemporary American fiction Marilynne Robinson's mythical world of Gilead, Iowa—the setting of her novels Gilead, Home, and Lila, and now Jack—and its beloved characters have illuminated and interrogated the complexities of American history, the power of our emotions, and the wonders of a sacred world. Jack is Robinson's fourth novel in this now-classic series. In it, Robinson tells the story of John Ames Boughton, the prodigal son of Gilead's Presbyterian minister, and his romance with Della Miles, a high school teacher who is also the child of a preacher. Their deeply felt, tormented, star-crossed interracial romance resonates with all the paradoxes of American life, then and now. Robinson's Gilead novels, which have won one Pulitzer Prize and two National Book Critics Circle Awards, are a vital contribution to contemporary American literature and a revelation of our national character and humanity.

An important new voice for African-American theatre, Katori Hall explores the lives of black and often invisible Americans with vivid language, dynamic narratives and richly textured characterisation. Hoodoo Love is Hall's debut play, a tale of love, magic, jealousy and secrets in 1930s Memphis, written in vivid language which captures the spirit of the Blues. Saturday Night/Sunday Morning is set in a Memphis beauty shop/boarding house during the final days of WWII. Rich with humor and history, it is a story about friendship and finding love in unexpected places. Winner of the Olivier Award for Best New Play 2009, The Mountaintop is a historical-fantastical two hander, portraying the penultimate day in the life of Martin Luther King. Hurt Village won the 2011 Susan Smith Blackburn Prize. Set in a real-life Memphis housing project, it explores in vivid and at times brutal detail a long-lasting legacy of drug abuse, child abuse, crime, and self-hatred within a poor, working-class, multi-generational Black family. This first collection of Katori Hall's dramatic works demonstrate her unique voice for the theatre, which is visceral, passionate and energetic. Hall portrays disenfranchised portions of society with fearless humanity and startling accomplishment.
