available for just \$10! Newly-elected president Stephen Blades hoped to tackle the most critical issues facing the nation: war, the economy, and a failing health care system. But in a letter penned by the outgoing president, Blades learns the truth that redefines "critical": seven years ago, NASA discovered alien presence in the asteroid belt, and kept it a secret from the world. A stealth mission crewed by nine astronauts was sent to make contact, and they're getting close—assuming they survive the long journey to reach their destination. President Blades has just become the most powerful man on the planet. This planet.

The X-Men awaken to find all the world's humans gone. From normal everyday folks to the Avengers and Fantastic Four, all homo sapiens have disappeared. It's up to the disparate sides of the X-Men to come together, get to the bottom of this mystery and find a way to get the humans back. But do all of the mutants want their human brethren to return? From best-selling author and classic X-MEN scribe MIKE CAREY and superstar artist SALVADOR LARROCA comes the first X-MEN OGN since the classic X-MEN: GOD LOVES, MAN KILLS. From bestselling comic-book franchise writer Charles Soule comes a clever and witty first novel of a twentysomething New Yorker who wakes up one morning with the power to predict the future—perfect for fans of Joe Hill and Brad Meltzer, or books like *This Book Is Full of Spiders* and *Welcome to Night Vale*. Knowledge is power. So when an unassuming Manhattan bassist named Will Dando awakens from a dream one morning with 108 predictions about the future in his head, he rapidly finds himself the most powerful man in the world. Protecting his anonymity by calling himself the Oracle, he sets up a heavily guarded Web site with the help of his friend Hamza to selectively announce his revelations. In no time, global corporations are offering him millions for exclusive access, eager to profit from his prophecies. He's also making a lot of high-powered enemies, from the President of the United States and a nationally prominent televangelist to a warlord with a nuclear missile and an assassin grandmother. Legions of cyber spies are unleashed to
