

Star Wars Prequel Trilogy Episodes

In 1999, the first new Star Wars movie in sixteen years came to theater screens worldwide. Leading up to the release of the film, the hype and media coverage reached epic proportions. The Phantom Menace graced every cover from Vanity Fair to Newsweek to Entertainment Weekly. Fans began camping in line for more than a month in Los Angeles just to be first to see the new film. Anticipation tells the real-life story of a movie that faced expectations unlike those of any other film in history, but had the advantage of years of anticipation and excitement from eager fans and the public. The Phantom Menace deserves a place in film history not only as the most anticipated film ever made, but also for its place as the first film presented to the public with digital projection technology, its status as one of the highest grossing films ever made, and the unbelievable devotion of thousands of fans who demonstrated the great meaning movies can have to people of all ages and social backgrounds.

Luke Skywalker lived and worked on his uncle's farm on the remote planet of Tatooine, but he yearned to travel beyond the farthest reaches of the universe to distant, alien worlds. Then Luke intercepted a cryptic message from a beautiful, captive princess . . . and found himself catapulted into the adventure of a lifetime. Luke Skywalker, proud Princess Leia, and headstrong Han Solo . . . merciless Darth Vader, wise Obi-Wan Kenobi, loyal droids R2-D2 and C-3PO, and the inscrutable Yoda . . . Chewbacca the Wookiee, shifty Lando Calrissian, and the vile Jabba the Hutt . . . all the vivid characters from the "Star Wars" universe spring to life in these thrilling pages. The "Star Wars Trilogy" is a must-read for anyone who wants to relive the excitement, the magic, and the sheer entertainment of this legendary saga—now and forever.

A peace-loving senator faces a time of war in another thrilling Padmé Amidala adventure from the author of the New York Times best-sellers *Queen's Peril* and *Queen's Shadow*!

Despite the insatiable public appetite for all things Star Wars, the more analytical side of the saga is all too often ignored. This book offers a new way of seeing George Lucas' space opera—particularly the prequel trilogy, a series never given a fair chance because of constant comparisons to the iconic originals. In the classic style of Joseph Campbell, the trilogy is viewed through the lens of myth and metaphor, revealing a body of work not only worthy of scholarly study but perhaps destined to find therein its home. A wide variety of philosophical and mythological themes are presented and expounded upon, drawing from a rich source of scholars, thinkers, writers, and poets from East and West alike. Heretical or not, the Star Wars prequels are a surprisingly rich source of insight into the saga—as well as the human drama—as a whole.

Follows Anakin Skywalker as he struggles with his duty as a Jedi Knight and his role as the secret husband of Senator Padme Amidala, and chronicles the creation of Darth Vader and the birth of Luke Skywalker and Princess Leia Organa.

At last—an analysis of the historical patterns that influenced the creation and storyline of the Star Wars saga. Star Wars took place long ago in a galaxy far, far away, but its epic stories are based on our own history. From Ancient Egypt and the Roman Empire to the French Revolution and the Vietnam War, *Star Wars and History* explores the major historical turning points, heroes, and villains in human history and their impact on the creation of the Star Wars saga. *Star Wars and History* shows how the atomic and hydrogen bombs led to the Death Star; how Princess Leia's leadership in the Rebel Alliance resembled the daring work of intrepid women in the French Resistance during World War II and the Mexican Revolution; historical parallels between the Jedi Code and Bushido as well as those linking the Jedi culture with that of the Templar Knights and other warrior monks; and all of the history that underlies the Star Wars galaxy. Read how our own civilization's civil wars, slavery, international corporation states, and teenage queens were transformed into the epic Star Wars history and discover how Tatooine reflects the lawless frontiers of the past and Coruscant our own history of glittering and greedy capitals. The first book devoted to analyzing the actual historical events in our past that influenced the creation of the space fantasy, *Star Wars Features 11 essays* by a wise "council" of history scholars, written in close collaboration with George Lucas and Lucasfilm. Gives new insights into central Star Wars characters and historical figures who helped inspire them (including Luke Skywalker, Princess Leia, Han Solo, Darth Vader, Obi-Wan Kenobi, Queen Amidala, Yoda, Jabba the Hutt, Lando Calrissian, Emperor Palpatine, and others). Includes both stunning photos from the Lucasfilm Image Archives and historical photos that demonstrate the parallels between both worlds. Filled with fascinating historical comparisons and background that will take your experience of the Star Wars saga to a new level, *Star Wars and History* is an essential companion for every Star Wars fan.

A non-fiction atlas detailing everything you need to know about the worlds and creatures of the Star Wars universe. Facts about planets and characters are woven into complex, brand-new illustrations that will keep fans busy for hours. A true keepsake for all Star Wars aficionados and a perfect gift for anytime of the year!

Showcases the conceptual storyboards for Episodes IV, V, and VI, which are accompanied by excerpts from the shooting scripts, providing insight into how these storyboards helped contribute to the original trilogy.

Darth Plagueis, a Sith Lord who knows the Dark Side so well that he has power over life and death, joins forces with his apprentice, one-day emperor Darth Sidious, to try to dominate the whole galaxy. Movie tie-in.

For the first time in one stunning volume, here is the complete, epic story arc: *The Phantom Menace*, *Attack of the Clones*, and *Revenge of the Sith*. Experience the sweeping tale of good and evil, of myth and magic, of innocence and power—and witness the tragic transformation of Anakin Skywalker from mere slave to one of the greatest, most powerful, and feared villains of the galaxy: Darth Vader. "The path has been placed before you, Anakin. The choice to take it must be yours alone." On the barren desert world of Tatooine, young Anakin Skywalker toils by day and dreams by night . . . of traveling the stars to worlds he's only heard of in stories. When Jedi Knight Qui-Gon Jinn and his apprentice, Obi-Wan Kenobi, cross paths with Anakin, it marks the beginning of the drama that will become legend. Courageous to the point of recklessness, Anakin comes of age in a time of great upheaval. The attempted assassination of Senator Padmé Amidala thrusts the Republic close to the edge of disaster—and brings Anakin and Padmé into a secret romance as intense as it is forbidden. As combat escalates across the galaxy, the stage is set for an explosive endgame. Tormented by unspeakable visions, Anakin edges closer to the brink of a decision with profound ramifications. It remains only for Darth Sidious to strike the final staggering blow against the Republic—and to ordain a fearsome new Sith Lord: Darth Vader. *THE PHANTOM MENACE* by Terry Brooks, based on the story and screenplay by George Lucas *ATTACK OF THE*
