Part memoir, part history, part journalistic exposé, *Trip* is a look at psychedelic drugs, literature, and alienation from one of the twenty-first century's most innovative novelists--The Electric Kool-Aid Acid Test for a new generation. A Vintage Original. While reeling from one of the most creative--but at times self-destructive--outpourings of his life, Tao Lin discovered the strange and exciting work of Terence McKenna. McKenna, the leading advocate of psychedelic drugs since Timothy Leary, became for Lin both an obsession and a revitalizing force. In *Trip*, Lin's first book-length work of nonfiction, he charts his recovery from pharmaceutical drugs, his surprising and positive change in worldview, and his four-year engagement with some of the hardest questions: Why do we make art? Is the world made of language? What happens when we die? And is the imagination more real than the universe? In exploring these ideas and detailing his experiences with psilocybin, DMT, salvia, and cannabis, Lin takes readers on a trip through nature, his own past, psychedelic culture, and the unknown. Taiwanese culture preserves the best of ancient traditions, while embracing the newest in high-tech modernity, and nowhere is this better exemplified than in the country's dynamic capital, Taipei. Whether you want to admire Taipei 101's architecture, discover precious Chinese artefacts at the National Palace Museum or indulge in feast of street food at Shilin Nightmarket, Insight City Guide Taipei will ensure that you have the quintessential Taipei experience. Features by local writers delve into topics including the arts scene, Taipei residents' love of sports and shopping, and traditional remedies, while evocative accounts of the city's districts bring Taipei to life, from Ximending's youth culture and Datong's Chinese heritage to the east's skyscrapers juxtaposed with hillside tea plantations. Full-colour photography and maps help you navigate with ease and our detailed Travel Tips give you all the practical information you need to plan your trip. Discover this fascinating city with Insight City Guide Taipei.

Perfect for fans of Jenny Han and Sarah Dessen, and praised as “an intense rush of rebellion and romance” by #1 New York Times bestselling author Stephanie Garber, this romantic and layered *Own Voices* debut from Abigail Hing Wen is a dazzling, fun-filled romp. “Our cousins have done this program,” Sophie whispers. “Best kept secret. Zero supervision.” And just like that, Ever Wong’s summer takes an unexpected turn. Gone is Chien Tan, the strict educational program in Taiwan that Ever was expecting. In its place, she finds *Loveboat*: a summer-long free-for-all where hookups abound, adults turn a blind eye, snake-blood sake flows abundantly, and the nightlife runs nonstop. But not every student is quite what they seem: Ever is working toward becoming a doctor but nurses a secret passion for dance. Rick Woo is the Yale-bound child prodigy bane of Ever’s existence whose perfection hides a

This new edition of Bradt's Taiwan continues to offer some of the most comprehensive coverage available and has been fully updated to reflect all the most recent developments on the ground. Author and long-term resident of Taiwan Steven Crook has been to every corner of the main island and every one of the outlying archipelagos. He has written about Taiwan's cultural and scenic attractions for international newspapers and inflight magazines and he has a keen understanding of what international visitors are likely to enjoy and what they need help with to appreciate. This new edition includes an even greater emphasis on the Taiwanese favourite pastime of local food, as well as increased coverage of increasingly popular east Taiwan and expanded information about the National Palace Museum Southern Branch. Place names and other useful words and phrases (for ordering food and arranging transport) are presented in Chinese script for convenient communication. Detailed coverage of the capital city Taipei is complemented by a chapter-by-chapter breakdown of the rest of the country, from Hakka Country to Kaohsiung and Pingtung and the minor islands. More than 58% of Taiwan is covered by forest, making the country as interesting for its wildlife and outdoor activities as for its cities and towns. Taroko Gorge, Mount Jade, national parks, beaches and birdwatching, temples and monasteries, peaks and mountains are all covered, along with beguiling islands such as coral Little Liuqiu, saltwater hot springs, the East Rift Valley and popular Lukang. Taiwan is often described as 'more Chinese than China', but in reality it's a complex blend of 18th-century China, ancient Austronesia and 20th-century Japan, with dabs of post-war Americana and an abiding passion for anything that tastes good, wherever it comes from. Bradt's Taiwan is the perfect companion for discovering all of this, written by an expert who knows the country inside out and is well versed in delivering exactly what you need for a successful trip.

Taiwan is a Pacific island – actually several islands: a big one and some smaller satellites – surrounded by warm tropical seas. It is easily accessible, has excellent transportation and is a first-world society with out-going, friendly, laid-back people. Especially in the south and on several of the outlying islands, there is some very good scuba diving and also a network of dive centres and resorts with first-class professional staff and equipment. They provide services for a young generation of Taiwanese, who are driving development in the sport with considerable enthusiasm. Yet, when divers elsewhere in the world think about diving destinations, Taiwan is rarely even a blip on their radar screen. Very few people outside Taiwan have ever thought to enquire about the diving there, and very few people inside Taiwan have ever thought to tell anyone about it. Until now... In *Dive into Taiwan*, Simon Pridmore unveils the underwater secrets of these islands and guides you around expertly, making sure you travel easily, dine well and appreciate the unique culture and traditions of Taiwan as well as its marine treasures. This is the first English-language guide to diving the reefs and wrecks of hitherto unknown locations such as Penghu, Xiaoliuqiu, Hengchun, Lanyu (Orchid Island), Ludao (Green Island) and Taiwan's Northeast Coast and places them firmly on the international diving map. Authoritative, well written and beautifully illustrated by Taiwanese photographer Kyo Liu's superb underwater images, *Dive into Taiwan* opens the door to a new

and exciting destination for travelling divers.

Anyone who visits Taiwan, loves Taiwan... Blending travelogue and guidebook, *Taiwan: An Underrated Paradise* chronicles a young black woman's whimsical encounters with culture shock and the places and people she meets while living in Taiwan. Her venture reminds us what it means to explore- beyond the the picture perfect moments and into the history of a place and the journey to self discovery. The tail-end travel manual and itineraries encourage you to choose adventure, even if that means traveling alone. Fall endlessly in love with Taiwan over and over again- in love with the abandoned train tracks turned bike trails through the caverns of mountains or bridges from which to watch the sunsets that I've chased here more than anywhere else... Fall in love with fruits whose sweetness defy the very existence of sugar, in love with the periwinkle silhouettes of mountains layered bewitchingly against the sky. The hot air, winding roads, and luscious elevation remind me of my parent's home in Jamaica. Taiwan is home... Taiwan is me...

Chu T'ien-hsin's *The Old Capital* is a brilliant evocation of Taiwan's literature of nostalgia and remembrance. The novel is centered on the question, "Is it possible that none of your memories count?" and explores the reliability of remembrances and the thin line that separates fact from fantasy. Comprised of four thematically linked stories and a novella, *The Old Capital* focuses on the cultural and psychological realities of contemporary Taiwan. The stories are narrated by individuals who share an aching nostalgia for a time long past. Strolling through modern Taipei, they return to the lost, imperfect memories called forth by the smells and sensations of their city, and try to reconcile themselves to their rapidly changing world. The novella is built on the memories and recollections of a woman trying to make sense of herself and her homeland. After a trip to Kyoto to meet with a friend, she returns to Taipei, where, having been mistaken for a Japanese tourist, she revisits the sites of her youth using a Japanese colonial map of the city. Seeing Taipei anew, the narrator confronts the complex nature of her identity, embodied in the contrast between a serene and preserved Kyoto and a thoroughly modernized and chaotic Taipei. The growing angst of these narrators reflects a deeper anxiety over the legacy of Japan and America in Taiwan. The titles of the stories themselves- "Death in Venice," "Man of La Mancha," "Breakfast at Tiffany's," "Hungarian Water"-reveal the strong currents of influence that run throughout the collection and shape the content and texture of the writing. In his meticulous translation, Howard Goldblatt captures the casual, intimate feel of Chu T'ien-hsin's writing while also maintaining its multiple layers of meaning. An intertextual masterpiece, *The Old Capital* is a moving and highly sensual meditation on the elasticity of memory and its power to shape personal identity.

A dark lament reflecting the macabre aspects of today's world follows the experiences of a man who navigates Manhattan's art and literary scenes before touring Taipei, where he confronts family origins, suffers a breakup and pursues an internet affair that culminates in a gaudy Vegas wedding. Original.

*CultureShock! Taiwan* is full of helpful advice on what to expect when you settle into the country and how to enjoy your stay in the country. This book shares insights into understanding Taiwanese traditions and values as well as the lifestyles of the Taiwanese and how to relate to them as friends and in business. Learn more about the main motivations and attitudes that shape the culture of the people and what you should do in order to build more lasting relationships with them. Also included is useful information on finding a home, understanding the language, handling tricky business

Look around your office. Turn on the TV. Incompetent leadership is everywhere, and there's no denying that most of these leaders are men. In this timely and provocative book, Tomas Chamorro-Premuzic asks two powerful questions: Why is it so easy for incompetent men to become leaders? And why is it so hard for competent people--especially competent women--to advance? Marshaling decades of rigorous research, Chamorro-Premuzic points out that although men make up a majority of leaders, they underperform when compared with female leaders. In fact, most organizations equate leadership potential with a handful of destructive personality traits, like overconfidence and narcissism. In other words, these traits may help someone get selected for a leadership role, but they backfire once the person has the job. When competent women--and men who don't fit the stereotype--are unfairly overlooked, we all suffer the consequences. The result is a deeply flawed system that rewards arrogance rather than humility, and loudness rather than wisdom. There is a better way. With clarity and verve, Chamorro-Premuzic shows us what it really takes to lead and how new systems and processes can help us put the right people in charge.

72 Hours in Taipei: The All-rounder A 3-day whirlwind tour of the capital city of the island formerly known as Formosa; Taipei, Taiwan. From sword-wielding shamans to unique birds ? an in-depth guide to Taiwan's human and natural attractions.

“Shawna Yang Ryan’s propulsive storytelling carries us through a bloody time in Taiwanese history, its implications still reverberating today. The story is haunted by questions about whether Taiwan is a part of China or its own country, what the costs are of standing up for one’s beliefs and by the choices made by one father and his daughter. Green Island is a tough, unsentimental and moving novel that is a memorial not only to the heroes, but also to the survivors.” —Viet Thanh Nguyen, Pulitzer Prize-winning author of *The Sympathizer* A stunning story of love, betrayal, and family, set against the backdrop of a changing Taiwan over the course of the twentieth century. February 28, 1947: Trapped inside the family home amid an uprising that has rocked Taipei, Dr. Tsai delivers his youngest daughter, the unnamed narrator of *Green Island*, just after midnight as the city is plunged into martial law. In the following weeks, as the Chinese Nationalists act to crush the opposition, Dr. Tsai becomes one of the many thousands of people dragged away from their families and thrown into prison. His return, after more than a decade, is marked by alienation from his loved ones and paranoia among his community—conflicts that loom over the growing bond he forms with his youngest daughter. Years later, this troubled past follows her to the United States, where, as a mother and a wife, she too is forced to decide between what is right and what might save her family—the same choice she witnessed her father make many years before. As the novel sweeps across six decades and two continents, the life of the narrator shadows the course of Taiwan’s history from the end of Japanese colonial rule to the decades under martial law and, finally, to Taiwan’s transformation into a democracy. But, above all, *Green Island* is a lush and lyrical story of a family and a nation grappling with the nuances of complicity and survival, raising the question: how far would you be willing to go for the ones you love?

August is Ghost Month in Taiwan—a time to commemorate the dead: burn incense, visit shrines, commemorate ancestors, and avoid unlucky situations, large purchases, and bodies of water. Jing-nan, a young man who runs a food stand in a bustling Taipei night market, doesn't consider himself superstitious, but this August is going to haunt him no matter what he does. He is shocked to the core when he learns his ex-girlfriend from high school has been murdered. She was found scantily clad and shot in the chest on the side of a highway where she was selling betel nuts to passing truck drivers. Beyond his harrowing grief for this lost love of his life, Jing-nan is also confused by the news: "betel nut beauties" are usually women in the most desperate of circumstances; the job is almost as taboo as prostitution. But Julia Huang had been the valedictorian of their high school, and the last time Jing-nan spoke to her she was enrolled in NYU's honor program, far away in New York. The facts don't add up. Julia's parents don't think so, either, and the police seem to have closed the case without asking any questions. The Huangs beg Jing-nan if he can do some investigating on his own—reconnect with old classmates, see if he can learn anything about Julia's life that she might have kept from them. Reluctantly, he agrees, for Julia's sake; but nothing can prepare him for what he learns, or how it will change his life.

Part memoir and part philosophical look at why we travel, filled with stories of Matt Kepnes' adventures abroad, an exploration of wanderlust and what it truly means to be a nomad. "Matt is possibly the most well-traveled person I know...His knowledge and passion for understanding the world is unrivaled, and never fails to amaze me." —Mark Manson, New York Times bestselling author of *The Subtle Art of Not Giving a F\*ck* Ten Years a Nomad is New York Times bestselling author Matt Kepnes' poignant exploration of wanderlust and what it truly means to be a nomad. Part travel memoir and part philosophical look at why we travel, it is filled with aspirational stories of Kepnes' many adventures. New York Times bestselling author of *How to Travel the World on \$50 a Day*, Matthew Kepnes knows what it feels like to get the travel bug. After meeting some travelers on a trip to Thailand in 2005, he realized that living life meant more than simply meeting society's traditional milestones, such as buying a car, paying a mortgage, and moving up the career ladder. Inspired by them, he set off for a year-long trip around the world before he started his career. He finally came home after ten years. Over 500,000 miles, 1,000 hostels, and 90 different countries later, Matt has compiled his favorite stories, experiences, and insights into this travel manifesto. Filled with the color and perspective that only hindsight and self-reflection can offer, these stories get to the real questions at the heart of wanderlust. Travel questions that transcend the basic "how-to," and plumb the depths of what drives us to travel — and what extended travel around the world can teach us about life, ourselves, and our place in the world. *Ten Years a Nomad* is for travel junkies, the travel-curious, and anyone interested in what you can learn about the world when you don't have a cable bill for a decade or spend a month not wearing shoes living on the beach in Thailand.

invincible against natural calamities. Lastly, send yourself a postcard from the highest postal office in Taiwan. After rummaging through the city's night market, make your way to the outskirts and explore the preserved old streets found in New Taipei City. Visit the Shifen Old Street and learn more about the place's history and the locals' livelihood. Buy yourself a paper lantern and write your own wishes before lighting it and letting it fly to the sky. Explore the old gold mining capital of Taipei, Jui Fen. Walk along its narrow alleyways which used to be old mining caves converted into a pedestrian market. Try local food such as the tradition fish ball soup or the sweet taro balls. After seeing the present and past of Taipei, it is time to get acquainted with its natural gifts. With just one bus ride away, you can take yourself to Yehliu Geopark. This surreal natural park will make you feel you are walking on the moon or on Mars. The rock formations in this part of Taipei was crafted by the waters crashing against the cape. Before going back to your hometown, do not forget to try Taipei's tasty and sometimes funky-smelling cuisine. Some of the must-eat here are stinky tofu, which is made from fermented tofu steamed with minced garlic. You also must try the best dim sum in town, Xiao Long Bao, served by the famous Din Tai Fung Restaurant. Finally, do not go home without ever trying our famous cold milk tea which can be bought from any street corner in Taipei. However if you wish to taste the best, go to Gongguan Night Market. This newly updated Insight Guide to Taipei has new full-colour photography illuminating not only the main tourist sights, but also the moods of the city and the lives of the people. Features on Taipei's history and culture, alongside religion, the arts and nightlife ensure that your city break is well informed. Each street atlas covers a different part of Taipei City, and is embedded within each narrative description for easy-reference, as well as being fully indexed. There is also a full street atlas for the entire city, along with street references, towards the back of the guide for ease of use. One of the back pages features a route map of the Taipei Metro system to help you navigate around public transport with ease. The Best Of section illustrates everything you can't afford to miss, including lesser-known sights, best architecture, best walks, best family activities, plus money-saving hints. The main Places section covers everywhere from Central Taipei to the Yangmingshan, the Old Walled City and Zhongzheng. A fascinating Features section explores Taipei's history and culture as a Modern Miracle, alongside religion, the arts, shopping and its vibrant nightlife scene, including the increasingly popular social pastime of karaoke. Each section of the city also has its own updated restaurants, bars and cafes listings, featuring the best eateries to suit all

CITix60 illustrates the spirit of the world's most exhilarating design hubs. Jacketed in a city map drawn by a local artist, each volume is a unique collaboration with 60 creative stars known for their accomplishments in the fields of advertising, architecture, photography, fashion, food, music, film, publishing and product design. From what you see to where you stay, CITix60 City Guides take you to experience real local culture with passionate insiders' tips. Since its launch, CITix60 City Guides have roamed 16 creative cities across the globe. Our next stops are Lisbon, Singapore, Vancouver, San Francisco and Taipei, scheduled to release in 2017 spring. Selected city map illustrations are available as limited art prints exclusively on [victionary.com](http://victionary.com).

The stand-off across the Straits of Taiwan continues to be one of the most dangerous confrontations in Asia. The technical superiority of the Taiwanese forces has been a major factor in maintaining balance, but as mainland China's armed forces modernize, Taiwan's advantages are being eroded. In response, Taiwan has recently undertaken a major reform of its armed forces. Bringing together a wide range of experts including people who are involved in defence policy making in Taiwan, this book presents a comprehensive analysis of these reforms, and assesses their likely effectiveness. Chapters are devoted to issues including the Chinese threat, the domestic context of reform, the role of the United States and specific defence issues, making the book an invaluable guide to the changes undertaken and underway within Taiwan's strategic environment. With a foreword by Taiwanese President Chen Shui-bian, Taiwan's Defense Reform will be of interest to policy makers and academics working in this vital strategic area.

Taipei is a gourmet's destination where people buy fresh produce almost every morning of the year; where weddings are celebrated with streetside banquets; and where baristas craft cups of world-class coffee. Crook and Hung invite readers to learn more about the city's fascinating foodways and the diverse culture behind them.
