

## The 22day Revolution The Plantbased Program That Will Transform Your Body Reset Your Habits And Change Your Life

Finding balance in life is a goal many of us strive to achieve. Whether it's through a healthy diet, exercise regimen, state of mind, relationship, or other activity (or all of the above), we spend our days trying to be, and become, our best selves. But what happens when all that focus starts to dominate our lives? When our desire for "perfect health" trumps everything else, perhaps without us even realizing it? What happens when our solution starts becoming the problem? These are questions that author and popular blogger Jordan Younger faced when she decided that her extreme, plant-based lifestyle just wasn't working in favor of her health anymore--and questions that you may be facing too. In *Breaking Vegan*, Jordan reveals how obsessive "healthy" dieting eventually led her to a diagnosis of orthorexia, or a focus on healthy food that involves other emotional factors and ultimately becomes dysfunctional, even dangerous. In candid detail, Jordan shares what it was like to leave veganism, the downfall of her desire to achieve nutritional perfection, and how she ultimately found her way to recovery. In addition to this, Jordan outlines an "anti-diet," whole-foods-based eating plan featuring more than 25 recipes to help inspire others to find similar balance in their own lives. *Breaking Vegan* is about tolerance and forgiveness. And ultimately, forging one's own path toward happiness. The Ornish Diet has been named the "#1 best diet for heart disease" by U.S. News & World Report for seven consecutive years! Dr. Dean Ornish is the first clinician to offer documented proof that heart disease can be halted, or even reversed, simply by changing your lifestyle. Based on his internationally acclaimed scientific study, which has now been ongoing for years, Dr. Ornish's program has yielded amazing results. Participants reduced or discontinued medications; they learned how to lower high blood pressure; their chest pain diminished or disappeared; they felt more energetic, happy, and calm; they lost weight while eating more; and blockages in coronary arteries were actually reduced. In his breakthrough book, Dr. Ornish presents this and other dramatic evidence and guides you, step-by-step, through the extraordinary Opening Your Heart program, which is winning landmark approval from America's health insurers. The program takes you beyond the purely physical side of health care to include the psychological, emotional and spiritual aspects so vital to healing. This book represents the best modern medicine has to offer. It can inspire you to open your heart to a longer, better, happier life.

Transform your body with this fitness and exercise book from the author of *The Greenprint* and the sensational nutrition meal delivery plan *The 22 Day Revolution*. He's transformed some of the most famous bodies around the world. Now celebrity fitness expert Marco Borges shares his innovative secrets for lifelong health. Jay-Z, Gloria Estefan, Beyoncé, Sean "Diddy" Combs, Kanye West, Pharrell Williams, Gwen Stefani, and Shakira...These are just a few of the top celebrities and athletes Marco Borges has helped get fit and sculpted. And now readers can get the same results through *Power Moves*, four simple movements of four joints: shoulder, elbow, hip, knee. This innovative approach to exercise has made Borges one of the most sought-after fitness experts in the country. His transformative health programs have proven to yield extraordinary results, helping people not only to lose weight--whether fifteen pounds or 150--but also think differently about exercise and health.

From one of the most decorated athletes of all time, 80 healthy and delicious recipes to fuel and nourish an active lifestyle while never sacrificing flavor When all that exists between winning a gold and a bronze medal are hundredths of a second, every detail matters--especially the food you put in your body. Some Olympians may survive on bland brown rice and steamed chicken breasts and broccoli, while others may happily down fast-food cheeseburgers, but not world champion swimmer Natalie Coughlin. Natalie embraces a winning, nourishing path with wholesome meals that have tons of flavor to satisfy both the body and the soul--the key to her success. Natalie's debut cookbook, *Cook to Thrive*, is full of the healthy, delicious recipes that sustain her both in and out of the pool: hearty breakfasts, bountiful salads, grains and pastas, energizing smoothies, big salads, grab-and-go snacks--all nutritious, satisfying, and delicious. Natalie believes in balance, not extreme deprivation, and that means moments of indulgence are not only allowed, but necessary. In *Cook to Thrive*, you'll find personal, comforting recipes inspired by Natalie's Filipino background and many based on dishes from her travels around the world for competitions. Natalie's tried-and-true techniques and tips for very busy schedules prove that if she can do it, you can too.

NEW YORK TIMES BESTSELLER Zero Belly Diet is the revolutionary new plan to turn off your fat genes and help keep you lean for life! Nutrition expert David Zinczenko—the New York Times bestselling author of the Abs Diet series, Eat This, Not That! series, and Eat It to Beat It!—has spent his entire career learning about belly fat—where it comes from and what it does to us. And what he knows is this: There is no greater threat to you and your family—to your health, your happiness, even your financial future. Yes, you can: Change your destiny. Overcome your fat genes. Strip away belly fat and finally attain the lean, strong, healthy body you've always wanted. With Zero Belly Diet, David Zinczenko reveals explosive new research that explains the mystery of why some of us stay thin, and why some can't lose weight no matter how hard we try. He explains how some foods turn our fat genes on—causing seemingly irreversible weight gain—and uncovers the nine essential power foods that act directly on those switches, turning them to "off" and allowing for easy, rapid, and sustainable weight loss. And he shows how these foods help heal your digestive system, keeping those gene switches turned off and setting you up for a lifetime of leanness. Other diets can help you lose weight, but only the Zero Belly diet attacks fat on a genetic level, placing a bull's-eye on the fat cells that matter most: visceral fat, the type of fat ensconced in your belly. These fat cells act like an invading army, increasing inflammation and putting you at risk for diabetes, Alzheimer's, arthritis, heart disease, and cancer. Visceral fat can also alter your hormone levels, erode muscle tissue, increase your chances of depression, and destroy your sex drive. But you can turn the odds in your favor. Zero Belly Diet shows you how to deactivate your fat genes, rev up your metabolism, banish bloat, and balance your digestive health, allowing you to easily build lean, strong stomach muscle and strip away unwanted belly fat without sacrificing calories or spending hours at the gym. The result: weight loss that is easier, faster, more lasting, and more delicious than you'd ever imagine. You'll be stunned and inspired by the results of an amazing 500-person test panel—men and women who lost weight quickly, and with ease, following the Zero Belly diet. In just the first 14 days: Bob McMicken, 51, lost 16.3 pounds Kyle Cambridge, 28, lost 15 pounds Martha Chesler, 54, lost 11 pounds Matt Brunner, 43, lost 14 pounds Zero Belly Diet features a week-by-week menu plan, fifty tasty recipes, and a handy shopping list that leads to a minimum of cooking and plenty of feasting. Best of all, Zero Belly Diet offers something more: freedom. Freedom from bloating, freedom from food deprivation, freedom from weight loss fads, freedom from stress. So say goodbye to your paunch and hello to a happier, healthier you!

Foreword by Ryan Seacrest

Nourishing and comforting plant-based recipes to boost your energy, help you sleep, and brighten your mood. So many of us go about our busy lives without eating wholesome food. Yet without giving our body what it truly needs to fuel us through the day (and night), we get ill, feel low, and have trouble sleeping. In The Self-Care Cookbook, plant-based chef Gemma Ogston introduces us to eating as the ultimate form of self-care, whether you're a full-time vegan, flexitarian, or just looking for simple recipes developed with wellness in mind. Each recipe has been crafted to nurture your body and mind. Organized by some of the core goals of self-care routines--Restore, Rebalance, Reflect, and Renew--The Self-Care Cookbook demonstrates countless ways to embrace your mood and understand your body's needs through recipes as well as activities outside of the kitchen. With over 60 delicious meals including Firey Bean Stew for the days you feel under the weather, Calming Miso Pasta to give your gut flora a super boost, and Indulgent Chocolate Pudding (because you deserve it), The Self-Care

Cookbook is for anyone who needs some extra TLC and finds comfort in creating healthful, cozy meals--whether it's dinner for one or a meal shared with the people you love.

Healthier Together is all about nourishing and cooking for your body and your soul--and the best way to accomplish that is with another person. Food writer and health blogger Liz Moody once followed trendy diets and ate solely for fuel, not for flavor. That changed when she met her soon-to-be-boyfriend and they started cooking nutrient- and vegetable-rich meals. She not only fell in love with food again, but she also discovered that setting goals and sticking to them is easier and more gratifying when paired with someone else. Mincing garlic and sautéing onions together eventually led the couple to marriage--proving that good food really is the universal connector! These 100+ flavor-packed recipes are designed to be cooked and enjoyed by two people, plus they're all gluten-free, dairy-free, and plant-centered. They include homemade alternatives for all the foods you love to share, such as brunch, takeout, and sweet treats. Indulge in Cardamom Banana Bread Pancakes with Candied Coffee Walnuts, Cornflake "Fried" Chicken, General Tso's Cauliflower, and Chocolate Tahini Brownie Bites. Pick your partner--near or far--and get ready to get healthy.

In this ground-breaking book, Dr. John McDougall, bestselling author and creator of the nationally renowned diet and exercise program at the St. Helena Hospital in Deer Park, California, introduces his remarkable twelve-day plan. Building on the idea that the traditional meat-rich American diet is hazardous to our health, Dr. McDougall has developed a medically sound, low-fat, starch-based diet that not only facilitates weight loss but also reverses serious illness, without drugs, and provides a broad range of dramatic and lasting health benefits. Step-by-step, he takes you through his revolutionary new program, providing: Over 130 easy-to-prepare recipes Delicious day-by-day menus Suggestions for healthful dining out Plus a comprehensive listing of health problems from arthritis to ulcer disease, comparing the traditional, often drastic medical approach and The McDougall Program's nutritionally based alternative. As featured in the book and movie Forks and Knives, John A McDougall delivers a powerful and effective food regiment.

NY Times best-selling author Dr. Michael Roizen reveals how the food choices you make each day--and when you make them--can affect your health, your energy, your sex life, your waistline, your attitude, and the way you age. What if eating two cups of blueberries a day could prevent cancer? If drinking a kale-infused smoothie could counteract missing an hour's worth of sleep? When is the right time of day to eat that chocolate chip cookie? And would you actually drink that glass of water if it meant skipping the gym? This revolutionary guide reveals how to use food to enhance our personal and professional lives--and increase longevity to boot. What to Eat When is not a diet book. Instead, acclaimed internist Michael Roizen and preventive medicine specialist Michael Crupain offer readers choices that benefit them the most--whether it's meals to help them look and feel younger or snacks that prevent diseases--based on the science that governs them. The essential primer and guide to preparing delicious, totally vegan, nut-based cheeses, from the coauthor of *The Plantpower Way*. In their debut cookbook, *The Plantpower Way*, Julie Piatt and her ultra-endurance athlete husband, Rich Roll, inspired thousands to embrace a plant-fueled lifestyle, and through their advocacy efforts, podcasts, and talks, countless people are now enjoying healthier and more vibrant lives. In *This Cheese Is Nuts*, Julie is bringing that message to the forefront once more, with a stunning collection of flavorful nut-based cheeses. Julie has always been known for her dairy-free cheeses, and here she shares seventy-five recipes using almonds, cashews, and other nuts to create cheeses anyone can make right at home. Nut-based cheeses are on the cutting edge in the world of vegan cuisine. They're remarkably simple to prepare (all you need are a few simple ingredients and a basic dehydrator), and in as little as twenty minutes, you can have an assortment of tasty fresh cheeses fit for any occasion. Even creating aged cheeses is easy—they require only a day or two in the dehydrator, so making "fancier" cheeses, like Aged Almond Cheddar, is an almost entirely hands-off process. And though they're delectable on their own, Julie's nut-based cheeses are a terrific component in her recipes for Raw Beet Ravioli with Cashew Truffle Cream, Country Veggie Lasagna with Fennel and Brazil Nut Pesto, French Onion Soup with Cashew Camembert, and more. Filled with the essential tips, tools, and mouth-watering recipes home cooks need to immerse themselves in the world of nut-based cheese-making, *This Cheese Is Nuts* will demonstrate why nut cheeses should be part of any healthy, sustainable diet.

A revealing look at the 300 trillion microorganisms that keep us healthy—and the foods they need to thrive. These days, probiotic yogurt and other "gut-friendly" foods line supermarket shelves. But what's the best way to feed our all-important microbiome—and what is a microbiome, anyway? In this engaging and eye-opening book, science journalist Katherine Harmon Courage investigates these questions, presenting a deep dive into the ancient food traditions and the latest research for maintaining a healthy gut. Courage's insights include: • Meet your microbiome: What it is, how it works, and why it's essential for our immune system—and overall health • Gut-friendly food traditions: A guided tour of artisanal makers of yogurt, kimchi, kefir, kombucha, olives, cocoa, and other vibrant, ancient foods from around the world that feed our microbiome (along with simple recipes for curious at-home cooks) • Cutting-edge science: A first-hand look at some of the top lab facilities where microbiologists are working to better understand the human gut and how to feed it for good health. Equal parts science explainer, culinary investigation, and global roadmap for healthy eating, *Cultured* offers a wealth of information for anyone interested in making smart food choices in our not-so-gut-friendly modern world.

*The Saving Power of the Plant-Based Diet* A revolution in food-politics. When John Robbins released an early version of this book in 1987, he took the first steps in launching the food revolution. His viewpoint and insight on the harms of America's eating habits was a wake-up call for many. By bringing to our attention fundamental issues in our eating habits, such as our dependence on animal products, Robbins provokes our awareness and promotes change. Making conscious food choices. It is obvious to us that what we eat affects our own bodies, but what we may not realize is that what we eat also affects our world. In fact, most of the foods that are bad for us (think: genetically modified products) also negatively impact our environment. By approaching our eating habits with intentionality, we benefit our own health and that of the world we live in. The value of a plant-based diet. Robbins' arguments for a plant-based diet are compelling and backed by over 20 years of work focused on the subject of conscious eating. Through exposing the dangers in our factory farming system, Robbins makes a definitive case for solely plant-based eating. This timely read on healthy eating will enlighten those curious about plant-based diets and fortify the mindsets of the already converted. Read John Robbins' book, *The Food Revolution: How Your Diet Can Help Save Your Life and Our World*, and discover... • The negative effects your current eating habits could be having on you • A powerful case for plant-based eating • Wisdom from one of the most frequently cited books of the food-politics revolution. If books such as *We are the Weather*, *How Not to Die*, *31-Day Food Revolution*, or *Fast Food Genocide* have interested you, then *The Food Revolution* is the next book for you!

In this one-of-a-kind book, Dr. Rovenia M. Brock—known as Dr. Ro™ to fans of Black Entertainment Television's *Heart & Soul*—reveals practical, satisfying ways for African American women to eat healthy, get fit, and overcome weight problems and the health risks that accompany them. From the "Big Ten" myths about miracle weight-loss diets to how eating the right foods can help you live longer and why

soul food (if prepared properly) really can be good for you, Dr. Ro shows how many serious illnesses can be largely prevented—and even reversed. And you don't need Oprah's salary to do it. Using her own inspiring story and those of many other women as well, Dr. Ro discusses the health, fitness, and even cultural issues that are unique to black women, and outlines a diet and nutrition program to fit every lifestyle.

From Saveur Award-winning Finnish author Virpi Mikkonen and Tuulia Talvio, a gorgeous book of decadent, easy--and healthy!--vegan ice cream recipes Just in time to beat the summer heat, N'ice Cream offers 80 decadent and healthy ice cream recipes made from all-natural, wholesome vegan ingredients like fruits, berries, and plant-based milks and nuts--as the authors say, "no weird stuff." Get ready to have your ice cream and eat it too. Award-winning Finnish author Virpi and coauthor Tuulia show that making your own ice cream can be easy and good for you at the same time. These recipes can be made with or without an ice cream maker, and include foolproof instant ice creams that can be savored right away. As Tuulia and Virpi say, people deserve to eat goodies without feeling crappy afterwards, and now they can; all the recipes are dairy-free, gluten-free, and refined-sugar-free, and many are nut-free and raw as well. These delicious recipes include creamy ice creams, soft serves, and milkshakes; fresh sorbets and popsicles; party fare like ice cream cakes, sauces, and more. Enjoy light, summery treats like Coconut Water Coolers and Apple Avocado Mint Popsicles, or relish more decadent fare like the Dreamy Chocolate Sundae and Mint Chocolate Ice Cream Sandwiches. The book itself is gorgeously designed with mouth-watering photographs. Perfect for those who want to devour summer treats without guilt, N'ice Cream is about to make your summer a whole lot more delicious.

"From the New York Times bestselling author of the 22-Day Revolution, Marco Borges, comes the cookbook based on his plant-based diet program, featuring recipes and lifestyle recommendations. With a foreword by Ryan Seacrest"-- From the leading health-focused culinary school comes a comprehensive natural foods bible that shares forty years' worth of tools and techniques for more than 150 health-supportive recipes. In its forty-year history, Natural Gourmet has trained many natural food chefs in the art of healthy cooking. Their curriculum emphasizes local ingredients and the philosophy of using food as medicine. Now, in their very first cookbook, Natural Gourmet reveals how to utilize whole seasonal ingredients in creative and delicious ways. You'll learn about methods for sourcing sustainable ingredients, principles of nutrition, and much more. Every recipe is perfect for anybody wanting to eat a little healthier, whether to adhere to a specific diet, to do better for the earth, or just to feel better.

Are you ready to rock mouthwatering, meat-free recipes like a boss? Let's face it: not everyone is in the mood for wheatgrass shots, seaweed salads, and buckwheat granola 24/7. Sometimes you just need a juicy burger, gooey nachos, fluffy chocolate chip pancakes, or raw cookie dough, am I right? Eternity offers nutritious and delicious plant-based recipes, guaranteed to satisfy all of your insane comfort-food cravings and more! Jason Wrobel shows you his health-friendly spins on all of the above, as well as Caesar salad, fudge brownies, asparagus risotto, tortilla soup, and—wait for it—salted caramel waffles. Just one bite and you'll be obsessed! Unlike most cookbooks that merely tell you what to eat and how to make it, Eternity gives you the current research and science behind today's major health concerns, and explains why you should eat certain foods based on your individual goals, whether it's to lose weight, have more energy, sleep sounder, be stronger, boost your libido, or just feel better. You'll learn why eating real, unprocessed foods can help you live longer—and how to have fun doing it! With a light, no-pressure vibe, wicked humor, and drool-worthy food photography, Eternity makes it easy to bring it on down to veganville and feel awesome. It's Nutrition 101 meets healthy food porn that's so crazy-good you'll want to eat this way all the time!

**NATIONAL BESTSELLER** \* Fight cancer, diabetes, heart disease, weight gain, and even the aging process itself with one simple, scientifically proven plan to reverse disease--as well as prevent and reduce symptoms--from the world-renowned pioneer of lifestyle medicine. Dean Ornish, M.D., has directed revolutionary research proving, for the first time, that lifestyle changes can often reverse--undo!--the progression of many of the most common and costly chronic diseases and even begin reversing aging at a cellular level. Medicare and many insurance companies now cover Dr. Ornish's lifestyle medicine program for reversing chronic disease because it consistently achieves bigger changes in lifestyle, better clinical outcomes, larger cost savings, and greater adherence than have ever been reported--based on forty years of research published in the leading peer-reviewed medical and scientific journals. Now, in this landmark book, he and Anne Ornish present a simple yet powerful new unifying theory explaining why these same lifestyle changes can reverse so many different chronic diseases and how quickly these benefits occur. They describe what it is, why it works, and how you can do it: \* Eat well: a whole foods, plant-based diet naturally low in fat and sugar and high in flavor. The "Ornish diet" has been rated "#1 for Heart Health" by U.S. News & World Report every year from 2011 to 2017. \* Move more: moderate exercise such as walking \* Stress less: including meditation and gentle yoga practices \* Love more: how love and intimacy transform loneliness into healing With seventy recipes, easy-to-follow meal plans, tips for stocking your kitchen and eating out, recommended exercises, stress-reduction advice, and inspiring patient stories of life-transforming benefits--for example, several people improved so much after only nine weeks they were able to avoid a heart transplant--Undo It! empowers readers with new hope and new choices. Praise for Undo It! "The Ornishes' work is

elegant and simple and deserving of a Nobel Prize, since it can change the world!"--Richard Carmona, M.D., MPH, FACS, seventeenth Surgeon General of the United States "If you want to see what medicine will be like ten years from now, read this book today."--Rita F. Redberg, M.D., editor in chief, JAMA Internal Medicine "This is one of the most important books on health ever written."--John Mackey, CEO, Whole Foods Market

New York Times bestselling author and CEO of 22 Days Nutrition, Marco Borges introduces one of the most inclusive, practical, and revolutionary plant-based lifestyle plans - The Greenprint. By following its 22 proven effective guidelines, you will shift your mindset, improve your health, lose weight, and impact the planet for the better. Accessible and easy-to-follow, The Greenprint is a movement to embrace your absolute best and healthiest life. Through his more than two decades of experience working with clients, including some of the world's biggest celebrities, and spearheading exercise and nutrition research, Borges developed the groundbreaking "22 Laws of Plants," which he's determined are the most important plant-based diet, exercise, and lifestyle secrets for losing weight, increasing energy, boosting metabolism, and reducing inflammation, not to mention helping minimize your carbon imprint to help the planet. The Greenprint outlines three simple, step-by-step plans to implement the 22 Laws into your life, depending on where you are on your journey. Whether you are ready for a gradual shift or excited to tackle them all full-on, in just weeks you will be on your way to a healthier, cleaner approach to eating that includes plenty of whole grains, bountiful veggies, legumes, nuts and more. You'll also find meal plans, more than 60 delicious recipes, countless tips, and inspirational stories to help you along the way. Take control of your diet, create your own Greenprint and forever alter your weight, your health and the planet. Discover how to shed old thinking patterns—and live more joyfully with food. Are you ready to get to the roots of your challenges around food—whether it's gratuitous snacking, compulsive or emotional eating, indulging cravings, overeating, or other disheartening habits? Be ready to get mindful. Mindfulness can be the deciding factor between your successful adoption of a healthy vegan diet and repeated frustrating attempts. This simple technique goes under the surface of what is hampering your happiness, providing a sought-after solution to many of life's ups and downs by rewiring your reactivity to challenges. Certified mindfulness meditation facilitator, award winning health educator, and longtime vegan advocate Lani Muelrath has been practicing mindfulness meditation for 25 years. In The Mindful Vegan, she teaches you how to practice mindfulness and shows how it can bring freedom and a new joy to your eating—and living—experience. Backed by extensive research, with step-by-step instructions, personal stories, positivity, humor, and a handful of delicious recipes, The Mindful Vegan will help you emancipate yourself from the stranglehold that mindless and compulsive eating have on your weight, health, food choices, and, most of all, peace of mind. With Lani's guidance, you'll learn the techniques of mindfulness meditation, opening the door to creating a more resilient vegan lifestyle. You'll discover why eating in a way that lines up with your convictions about health, the environment, and ethics reduces stress and increases happiness. The Mindful Vegan sets you on a path to cultivating your capacity for genuine happiness and a more peaceful life--in a way that is personally satisfying and aligned with your deepest values. This book is for anyone who wants to be free of frustrating and baffling eating behaviors, experience a new ease around eating, and discover their naturally healthy body and weight. Stop stressing. Start living—and eating—mindfully. Your body and mind will thank you.
