That knowledge and understanding will keep the Word that was sown in your heart from being stolen by Satan. There is more to salvation than you have ever imagined. The forgiveness of sin was not the only thing included in your salvation. From God's perspective, it is just the beginning, a means to an end. Fellowship is the real goal. Now, become a disciple (learner and follower) of Jesus. Learn what separates Christianity from every other religion; how God sees past, present, and future sins; and much more. The Holy Spirit Living the abundant life that Jesus provided is impossible without the Holy Spirit. Before Jesus disciples received Him, they were weak and fearful. After receiving, each one became a powerhouse of God's miraculous power, and that's available to you. If you believe the Bible is true, then you must also believe the baptism in the Holy Spirit is God's will for everyone. In this book, Andrew establishes the validity of speaking in tongues, talks about the many gifts that accompany it, shares other little-known benefits, and explains how to begin speaking in tongues.

A previous move of God, traditions, religion systems, human philosophy, perverse science, secular world view and doctrine of men can hinder the present work of God. When Jesus was doing his earthly ministry, it was the political figures, the religious leaders and followers of Judaism of the day, who opposed fresh move of God. Today the Holy Spirit is moving in a special way and God requires his people to respond well and respect his work and word. The God we worship and serve, he is a God of motion and mobility. God is never stationery or stagnant. But our God is the mighty God at work! What the Holy Spirit did in the book of acts he is doing today. The Holy Spirit wants the church, Christians and ministers of the gospel to produce much fruit, increase and multiply. It is very surprising how in the book of acts everywhere there was fruitfulness, increase and multiplication! Yet today the people of God settle for the least instead of Gods best. God requires you to be fruitful, increase and multiply in your entire life. Allow the Holy Spirit to work with your life and achieve his mighty progress. Look worldwide see and hear what God is doing and saying. The move of the Holy Spirit is here! Be part of it, Serve God and support the work of God.

As a child of God who is constantly guided by the Holy Spirit, you should be wise enough to do or get things right when it comes to investing your hard earned money. Have YOU Ever thought of strategies you need to remain FINANCIALLY BUOYANT, and free from debts for a lifetime? When you can embrace, make difficult things simple, you will always make PROFITABLE decisions that will secure your FUTURE! Proverbs 6:6-8 says, Take a lesson from the ants, you lazybones. Learn from their ways and become wise! Though they have no prince or governor or ruler to make them work, they labor hard all summer, gathering food for the winter. New Living Translation (NLT) When I was six, my friend Betty and I thought it would be entertaining to see what it means to play football outside the house. We started playing, and before we knew it, the ball fell inside a well. I was stunned and was like, if we don't get this ball, my mother will be mad at me. I said, Betty, get the ball inside the well...I resolved by saying, "You can do it! Before I had an opportunity to say any other word, Betty went flying inside the well, and before we knew it, she was drowning! I screamed at the top of my voice. Someone help me, please.... My friend is drowning! Luckily for me, an older friend was passing by... Immediately, he pulled off his shoes and stretched his hand. I don't know what he did, but all I remember was that my older friend saved Betty. "Oops," I said, giggling at my friend, who was slammed against the opposite wall. The Holy Spirit at work. "Was that cool?" Poor little Betty looked at me with a bemused grin, and then she burst into tears. I can't recollect what unfinished story we ultimately invented to cover up what we'd done, but I do remember precisely the experience taught me two significant things. The first was, " never jump inside a well you don't know how deep it is." The second was that while it's necessary to learn from your own mistakes, it's a better idea and a much safer one to learn from other people. I recall all this because both these lessons are essential when you're trying to decide how to invest. The truth is, when it comes to genuine investment, many of us act like four-year-olds jumping inside a well. That is, we test ignorantly, and invariably wind up making some terrible mistake that sends us rolling across the room in financial shock. Throughout this Book, we're going to focus on what I consider to be the ten most "demoralizing" mistakes that Christian investors should never make. I hope that as a result of analyzing other people's mistakes, you'll be able to avoid the unpleasant and expensive experience of having to make a mistake that will ruin YOU! Furthermore, I will be talking much on paying off your mortgage. Forget all these crap stories you hear around. I will practically be telling you how to pay off your mortgage in less than 30 years. I will be exposing the working method that I guarantee will make you happy for a lifetime. Let me be frank with you,
