The Chronicles of B - The Stone Key - is a fantasy story of adventure - magic - love - and the fight between good and evil - Bartholomew Octavious Langdon - B for short - Sick of his wandering ways goes to the city of Lamas to find work in a place called Claudelands, which is ruled by King Ethan Claude. Set in the 1700's - B travels with two of his close friends - his horse Goliath -and his canine friend Wolf. What B and his friends encounter take them on an epic journey through a land filled with odd people and dangerous creatures - where B finds more than he ever bargained for.

The King and his noblemen pursued a life of unbridled lust with those that submitted to their power by choice or for the unfortunate, in the dungeons below the castle where bondage insured their submission. Nothing is forbidden for the privileged, not even the unspeakable taboos of society. "King's Dungeon" is set in the 11th century where men dominate and woman had no choice but to submit to any and all demands a man could conceive. King Rulf, after conquering his enemies, returns to take his rightful place on the throne with a wife to bear him many heirs. But there is always time to find his pleasures in the bedrooms of any woman he desires or to satisfy his jaded lust in the dungeons.

Upton Sinclair, one of America's foremost and most prolific authors, addresses the cultivation of the mind and the body in this 1922 volume. Sinclair's goal was to attempt to tell the reader how to live, how to find health, happiness and success, and how to develop fully both the mind and the body. Part One: The Book of the Mind covers such subjects as faith, reason, morality, and the subconscious. Part Two: The Book of the Body develops such subjects as errors in diet, the fasting cure, food and poisons, work and play, and diseases and their cures .

Tytti Vertainen has a new job as Editor at the Tapiolinn Times, but before she can unpack her pot plant, an islander comes to her in distress. A mysterious spiritual healer has arrived on the island and started to visit cancer patients. Rumour has it, she has been called there by a saint in a vision to heal the sick, but the patients have started to die and possibly not of natural causes. When the spiritual healer refuses to talk, Tytti's lie detector begins to yo-yo. Who is this stranger and what does she really want? This is no normal case and Tytti will be forced to be as cunning as her adversary in order to find out what the hell is going on. Sleepy Island Lies is a novel set on the idyllic island of Tapiolinn in the Finnish archipelago; a place where crime is not unheard of, but at least well hidden. A malign presence is threatening the sick and vulnerable. Will Tytti be the one to remedy it?

(Color Version) Crow, the King of Sumo tells the story of Koji, a young boy who befriends one of the cooks on a U.S. Navy ship. As the unlikely pair connects, they become great friends, and Crow goes on to challenge the sumo champion of Japan. Along the way, they learn a lot from each other. Set in Japan during the Edo period of Japanese history, the tale has a fun and heartwarming connection to the modern world.

She emerged as innocent as any newborn. The party of starbursts and sparkles came to a standstill. In awe, millions of heavenly beings paused. Shine Star, Princess of the Universe, was the most precious and rare of all creations. As an expression of perfect happiness, thus was the king's daughter born. A magical love story unfolds in Vikrant Malhotra's wondrous debut, The Stories of Goom'pa: Book One. Meet Goom'pa. He is a Poofy, a small furry creature who resides on Earth in a place called Palidon, on the edge of the Miron National Forest. His world is a quiet one-until he spies Shine Star, a glorious star in the sky and the daughter of Prime Ray, the king of the universe. Enchanted by her elegance, Goom'pa knows he is willing to do anything to win the love of this celestial beauty. As the two meet and fall in love, Shine Star's father worries about his only daughter. Exploiting that concern is the Star Lord, Rath, who wants nothing more than to wrestle control of the universe away from Prime Ray. Will Goom'pa and Shine Star find a way to be together? Or will Rath's evil plan doom them all?

Using company files, government documents, and personal interviews, the author recounts the unceasing diplomatic and corporate efforts to gain access to the enormous resources under the vast Arab desert

Discusses possibility of large oil company monopolization of oil shale development in the Rocky Mountains.

Are you awed by the smell of flowers or the busy buzz of the bees?Are you awed by the all of the snow or the rustle of the trees?In The Book of Awe, readers are reminded to take a minute and see the beauty in the everyday things around them.

A planet plagued with tumult from outsiders and divided by its own religious dichotomy could face extinction if their faiths are not united and an unholy artifact is destroyed. Safiro, the God of Death, and Sanguina, the Goddess of Life, created two heroes (Vytametas) -- mirror twins separated at birth yet destined to meet in a place where the future of their

world will be decided by their powers. The only people who know not the ultimate purpose of the legendary Vytametas are the young heroes themselves. While the teenage Vytametas learn of their world and of their mission, they will be turned against each other by the two faiths they are meant to save: the demented Safiric Brotherhood and the shady Sanguinic Sisterhood.

An engaging look at the global oil industry and how to navigate the price volatility and new policies associated with it Oil is a constantly changing industry, and with the recent BP oil spill in the Gulf of Mexico, more changes are expected. From extra equipment, higher-cost insurance, and expensive technology to mandatory third-party inspections, costly delays, and shifting investments, analysts say the price tag of regulation will be stiff and not confined to the Gulf. The oil industry affects everyone, and the machinations of a few industry heads, the "Barbarians of Oil," can drastically change the lives of investors and consumers. In Barbarians of Oil author Sandy Franks offers the tips needed to avoid future market dips and dives as well as safeguard your investments and profit in the future. Details the petro-land grab in Africa, the Bush-Halliburton Era, the Gulf Wars, and the political dangers to the United States in Iran, Iraq, and other oil-rich nations Looks at the BP oil spill in the Gulf of Mexico and the impending long-term effects on investments and policy Explores the evolution of the modern oil industry including major corporations such as ExxonMobile, ConocoPhillips, Chevron, and BP Barbarians of Oil is a timely must read for hard-working Americans concerned with their prosperity, as well as for those fascinated with the inner workings of the oil industry.

Kendall After losing my job and my home in the same day, I need a miracle. And that miracle is coming in the form of an interview with the son of a local oil baron, Gentry King. The catch? I have to hop on a private jet with said gorgeous oil baron to get to the interview. Except, I miss the interview when we get waylaid by a snowstorm. Now I'm stranded with Mr. King. In the same hotel room. With only one bed. Gentry I've made a promise to myself--no more women. It's not like I'm a love 'em and leave 'em kind of guy. They all know the score, and they're all looking for the same thing I am. But I have to set a better example for my grown sons, who seem to be making all the wrong decisions when it comes to their relationships. The last thing I need is to be stranded in a snowstorm with Kendall, twenty years my junior and unintentionally sexy. We're stuck in very close quarters. With no electricity. And no heat other than what we can generate...

First Published in 2002. Routledge is an imprint of Taylor & Francis, an informa company.

The first comprehensive biography of Marion King Hubbert, the "father of peak oil." In 1956, geologist and Shell Oil researcher Marion King Hubbert delivered a speech that has shaped world energy debates ever since. Addressing the American Petroleum Institute, Hubbert dropped a bombshell on his audience: U.S. oil production would peak by 1970 and decline steadily thereafter. World production would follow the same fate, reaching its peak soon after the turn of the millennium. In battles stretching over decades, Hubbert defended his forecasts against opponents from both the oil industry and government. Hubbert was proved largely correct during the energy crises of the 1970s and hailed as a "prophet" and an "oracle." Even amid our twenty-first-century fracking boom, Hubbert's underlying logic holds true—while remaining a source of debate and controversy. A rich biography of the man behind peak oil, The Oracle of Oil follows Hubbert from his early days as a University of Chicago undergraduate to his first, ill-fated forays into politics in the midcentury Technocracy movement, and charts his rise as a top geologist in the oil industry and energy expert within the U.S. government. In a deeply researched narrative that mines Hubbert's papers and correspondence for the first time, award-winning journalist Mason Inman rescues the story of a man who shocked the scientific community with his eccentric brilliance. The Oracle of Oil also skillfully situates Hubbert in his era: a time of great intellectual ferment and discovery, tinged by dark undercurrents of intellectual witch hunts. Hubbert emerges as an unapologetic iconoclast who championed sustainability through his lifelong quest to wean the United States—and the wider world—off fossil fuels, as well as by questioning the pursuit of never-ending growth. In its portrait of a man whose prescient ideas still resonate today, The Oracle of Oil looks to the past to find a guiding philosophy for our future.

Gregory the Great was pope from 590-604 and left behind a substantial literary heritage. His most ambitious work and one of the most popular works of scriptural exegesis in the middle ages was the Moralia in Job, commenting the book of Job in 35 books running to over half a million words. Saint Gregory's Commentary on Job was written between 578 and 595, begun when Gregory was at the court of Tiberius II at Constantinople, but finished only after he had already been in Rome for several years. This is Volume 1 of 3 - containing Books 1-10

During a chance night shift on the cops beat, newsroom assistant Madeleine Harrington stumbles on the corruption story of a lifetime – a plot that would reshape the entire city. She teams up with her dad, a downtrodden columnist at the paper, to unearth the mystery. The muckrakers find the plot goes deeper – and contains more skeletons among the city's powerbrokers – than they imagined.

"Shares the story of Leonard the Lion--admired by all other animals as King of the Jungle--who wears a red cape and uses his power and status to make a positive impact on those around him. The fun, colorful book is sprinkled with magic and mystery"--

John Davison Rockefeller, the black gold magnate, was the first billionaire of his time and was known for his self-image and innovative organizational tactics. He built his industrial and business empire using disciplined strategies that were ahead of his time and still work today. More than half a century after his death, the methods and strategies he used to build his gigantic financial empire and rise to the head of one of the largest fortunes in human history estimated at \$340 billion according to Historia Magazine continue to fascinate thousands of successful businessmen and women of our time, including Bill Gates, Warren Buffet, Carlos Slim, Aliko Dangote, Oprah Winfrey, Isabel dos Santos and many others. His remarkable success in business also continues to inspire numerous programs and books describing the principles of business success. In this groundbreaking and new book, John D. Rockefeller plunges us into the heart of the "Ten Commandments of Business Success". For a long time hidden by the elite class, he takes us on a journey into the secret universe of money, wealth, happiness and glory through his mythical and triumphal journey. By understanding the methods and techniques that he used to mark the economic and financial footprints of his global supremacy, and by applying them meticulously, you will be able to lay the foundations of your financial empire. Only a good dose of perseverance, hard work, faith, and obsession will be enough to lead you inevitably to the

destination of the journey to success.

Tells the story of a little girl looking for her lost pet hamster.

"It shall come to pass in that day that his burden will be taken away from your shoulder, and his yoke from your neck, and the yoke will be destroyed because of the anointing oil."-Isaiah 10:27  
The LORD has called YOU to be a Priest in His Kingdom-to be anointed with His blessing and mandate. In this compelling first book in the Unlocking the Mysteries Series from Curt Landry Ministries, you will learn why and how The Exodus 30 King's Oil can bring a new level of restoration into your life! This revelation represents the physical manifestation of the next stage in God's plan for His people, and you can be a part of it.

I've been the wicked witch of King's Creek since I was eight years old, from my angry red hair down to my ball-busting boots. With a mean drunk for a daddy who left nothing but insults and unpaid bills in his wake, was there ever any other fate? Now his passing has left me one bad turn from losing my land to the neighbors my family's been feuding with for generations. So of course it's Dawson King who comes to my rescue in the middle of a snowstorm. But I don't care how good he looks in a pair of Wranglers, or how much he spoils my horse, or how great of a cook he is. The Kings already have everything—money, looks, and charm. Dawson's not getting my heart too. \*\*\* I'm living my dream, I admit it. I took over the family ranch from my dad and grew it into the envy of Montana. I have the best views, the best employees, and the respect of the entire town. The only thing I don't have is someone to share my dream with. So when my neighbor breaks her leg and nearly freezes to death, I all but kidnap her back to my place to recover. We grew up less than a mile apart, but we couldn't be in more different places now. Bristol's had nothing but pride for so long, it's hard to get close to her—and I want to get very close. I don't care if the whole town loves me, I'm only interested in earning the love of one woman. But for a guy who's got the world at his feet, Bristol's heart might be out of my reach.

Als Sohn deutschsprachiger Juden floh Marc Rich während des Zweiten Weltkriegs in die USA. Als Rohstoffhändler brach er in den Siebzigerjahren das Kartell der großen Ölkonglomerate. Als Herr über das "schwarze Gold" wurde er 17 Jahre lang von amerikanischen Agenten gejagt. Nun nimmt der mysteriöse Milliardär erstmals Stellung. Marc Rich, Gründer von Glencore, handelte mit Khomeinis Iran, Castros Kuba und Südafrikas Apartheid-Regime. Von den USA wurde er wegen "Handels mit dem Feind Iran" und wegen Steuervergehen verfolgt. In der Schweiz, wo er seit seiner Flucht aus den USA lebt, blieb er trotz heftiger medialer Kritik unbehelligt. Für den israelischen Geheimdienst Mossad verrichtete er gar diskrete Dienste. Daniel Ammann hat jahrelang recherchiert und den legendären Rohstoffhändler kritisch befragt. Entstanden ist eine Biografie, die individuelles Schicksal mit der Weltpolitik verknüpft. Eine Geschichte über Macht und Moral, in der vieles nicht so ist, wie es scheint.

Jesus, the King of Glory, came as the expressed image of an invisible God, opened the portals of heaven and established the Kingdom of God in the earth. He brought the glory of the eternal realm the Father had given to him and gave it to all who dared to believe and follow him. He taught Kingdom principles, demonstrated Kingdom power, lived in perfect love, peace, faith, and unity; all in the power of the Holy Spirit. He declared that it was the Father living in him who was doing his work. He challenged us to have faith in him and do what he did and greater because he returned to heaven and poured out His spirit upon us. This book reveals 'Kingdom Secrets,' paints the portrait of the 'King of Glory' and sounds the call for us to join him, and his Father in the habitation of his glory. Linda Hornsby grew up in a Christian home in Montgomery, Alabama as a Southern Baptist; and was well grounded in scripture by her mother and father. She was filled with the Holy Spirit in the 1970s and has been on fire for God ever since. Linda ministers at Bible conferences and personally to smaller groups. She is a five-fold minister to River Regions Praise Center, a ministry of The Shepherd's Fold Ministries in Montgomery, Alabama. Linda is anointed in the prophetic gifting and has been placed in the prophetic office by The Shepherd's Fold Ministries. She is an anointed Bible teacher and ministers publicly prophetically as well as words of wisdom and knowledge. She is the complete package as it relates to being a godly woman with a humble servant's heart. She and her husband, Lamar reside in Dothan, Alabama and travel to churches wherever the Lord leads.

The oil industry provides the lifeblood of modern civilization, and bestselling books have been written about the industry and even individual companies in it, like ExxonMobil. But the modern oil industry is an amazingly shady meeting ground of fixers, gangsters, dictators, competing governments, and multinational corporations, and until now, no book has set out to tell the story of this largely hidden world. The global fleet of some 11,000 tankers—that's tripled during the past decade—moves approximately 2 billion metric tons of oil annually. And every stage of the route, from discovery to consumption, is tainted by corruption and violence, even if little of that is visible to the public. Based on trips to New York, Washington, Houston, London, Paris, Geneva, Phnom Penh, Dakar, Lagos, Baku, and Moscow, among other far-flung locals, The Secret World of Oil includes up-close portraits of a shadowy Baku-based trader; a high-flying London fixer; and an oil dictator's playboy son who has to choose one of his eleven luxury vehicles when he heads out to party in Los Angeles. Supported by funding from the prestigious Open Society, this is both an entertaining global travelogue and a major work of investigative reporting.

Billionaire oil trader Marc Rich for the first time talks at length about his private life (including his expensive divorce from wife Denise); his invention of the spot oil market which made his fortune and changed the world economy; his lucrative and unpublicized dealings with Ayatollah Khomeini's Iran, Fidel Castro's Cuba, war-ravaged Angola, and apartheid South Africa; his quiet cooperation with the Israeli and U.S. governments (even after he was indicted for tax fraud by Rudy Giuliani) and near-comical attempts by U.S. officials to kidnap him illegally. This sure-to-make-headlines book is the first no-holds-barred biography of Rich, who was famously pardoned by Bill Clinton, and resurfaced in the news during the confirmation hearings of Attorney General Eric Holder. The King of Oil sheds stunning new light on one of the most controversial international businessmen of all time, charting Rich's rise from the Holocaust, which he fled as a young boy, to become the wealthiest and most powerful oil and commodities trader of the century. From his earliest trading days to the present, Marc Rich's story is astonishing and compelling.

An inspirational and handy book of consciousness and love. Bring it with you on your daily journey for happiness everywhere you go.

The Prize recounts the panoramic history of oil -- and the struggle for wealth power that has always surrounded oil. This struggle has shaken the world economy, dictated the outcome of wars, and transformed the destiny of men and nations. The Prize is as much a history of the twentieth century as of the oil industry itself. The canvas of this history is enormous -- from the drilling of

the first well in Pennsylvania through two great world wars to the Iraqi invasion of Kuwait and Operation Desert Storm. The cast extends from wildcatters and rogues to oil tycoons, and from Winston Churchill and Ibn Saud to George Bush and Saddam Hussein. The definitive work on the subject of oil and a major contribution to understanding our century, *The Prize* is a book of extraordinary breadth, riveting excitement -- and great importance.

Sy Middleton, a teenager living in Manhattan, enters a secret world when he is initiated into Earth-tribe and becomes a Tribber. In the Middle Realm, Tribbers from Earth-, Fire-, Air- and Water-tribe train to enhance their powers and compete in monthly Lunar Festivals. The Zodiac Council has protected the Lower and Middle Realms from the Darkforce for thousands of years, but the balance of power has shifted, placing humanity at risk. The Darkforce has stolen the Book of Dreams. Sy and his friend Joshua Ryderson embark on a quest to find it...

Billionaire oil trader Marc Rich for the first time talks at length about his private life (including his expensive divorce from wife Denise); his invention of the spot oil market, which made his fortune and changed the world economy; his lucrative and unpublicized dealings with Ayatollah Khomeini's Iran, Fidel Castro's Cuba, war-ravaged Angola, and apartheid South Africa; his quiet cooperation with the Israeli and U.S. governments (even after he was indicted for tax fraud by Rudy Guiliani) and near-comical attempts by U.S. officials to kidnap him illegally. This sure-to-make-headlines book is the first no-holds-barred biography of Rich, who was famously pardoned by Bill Clinton, and resurfaced in the news during the confirmation hearings of Attorney General Eric Holder. *The King of Oil* sheds stunning new light on one of the most controversial international businessmen of all time.

This is the 10th book in the Neptune King series. In *The Case of the Amnesiac Client* Neptune's maid introduces him to Mary North a troubled young woman working as a maid with no memory and a vague impression that everything is not quite right. He figures it's a case for K&J. Intrigue, deception and imposters lead them to France and back again to high society in search for her real identity. In *The Case of the French Blackmailer*, Shark's sins come back to haunt him when Monique, the French waitress he met while on the trail of the Shadow in France turns up with a baby, claiming it is his and threatening to tell Lord Evans unless he pays. Shark is shocked and desperate and turns to Neptune for help, while hoping to keep the whole sordid affair secret from Rachel and Becky, but he underestimates the women in his life. In *The Case of the Deadly Sleepwalker* Lisa Hatherly is arrested for murdering her neighbour in her sleep! Philip Briton, Neptune's solicitor hires the boys to investigate. The evidence looks black against her—her footprints in the snow to and from the dead woman's house, the dead woman's jewels hidden in her wardrobe and her own admission that she'd had an argument with the deceased and was sleep walking that night with her soaked slippers matching the prints. Neptune's boutique is being robbed in *The Case of the Shoplifting Shop Assistant*, and it doesn't take him long to find the culprit. Meantime, Shark's family have arrived from Australia in time to celebrate Christmas with his friends in his new house.

Reveals the covert agreements that prompted America's decision to switch allegiance from Iran to Saudi Arabia as a dominant Middle-East oil supplier, citing the contributions of key players from Richard Nixon and Henry Kissinger to the Shah and Gerald Ford while explaining how choices in the 1970s set the stage for Iran's Islamic revolution.

Billionaire oil trader Marc Rich for the first time talks at length about his private life (including his expensive divorce from wife Denise); his invention of the spot oil market which made his fortune and changed the world economy; his lucrative and unpublicized dealings with Ayatollah Khomeini's Iran, Fidel Castro's Cuba, war-ravaged Angola, and apartheid South Africa; his quiet cooperation with the Israeli and U.S. governments (even after he was indicted for tax fraud by Rudy Guiliani) and near-comical attempts by U.S. officials to kidnap him illegally. This sure-to-make-headlines book is the first no-holds-barred biography of Rich, who was famously pardoned by Bill Clinton, and resurfaced in the news during the confirmation hearings of Attorney General Eric Holder. *The King of Oil* sheds stunning new light on one of the most controversial international businessmen of all time, charting Rich's rise from the Holocaust, which he fled as a young boy, to become the wealthiest and most powerful oil and commodities trader of the century. From his earliest trading days to the present, Marc Rich's story is astonishing and compelling.

In this heart-felt tale we follow the journeys of good King Nicholai Sinterklaas, a legendary king of an ancient land far to the north as he follows the star of Christmas to find a newborn Child King. But on his journey, he gives away all that he has brought to honor the New King, only to find that he has given the greatest of all.

*The Baseball King*, Max C. Weiss' first published book, was inspired by this eight-year-old author's entrepreneurial spirit, his love for baseball, and his interest in storytelling. Encouraged by his younger siblings, Max weaves a narrative that explores the bond of friendship and the dedication and sacrifice required to become the best. Illustrated by Max's grandmother.
