"The Story of Goldilocks and the Three Bears" with color illustrations. "Goldilocks and the Three Bears" and the older still "The Story of the Three Bears" are two variations of a 19th-century fairy tale. The original tale tells of an ugly, old woman who enters the forest home of three bachelor bears whilst they are away. She sits in their chairs, eats some of their porridge, and falls asleep in one of their beds. When the bears return and discover her, she starts up, jumps from the window, and is never seen again. The other major version brings Goldilocks to the tale (replacing the old woman), and an even later version retained Goldilocks, but has the three bachelor bears transformed into Papa, Mama, and Baby Bear. What was originally a fearsome oral tale became a cozy family story with only a hint of menace. The story has elicited various interpretations and has been adapted to film, opera, and other media. "The Story of the Three Bears" is one of the most popular fairy tales in the English language.

Ever since she snooped around the house of the three bears, Goldilocks (now Goldi) has been feeling guilty. She wants to do something nice for the bears. What if she stops by one day, replaces the icky porridge with Rutabega Breakfast Bars and all her favorite foods, fixes Baby Bear's broken chair, and cleans the house until it gleams? Perfect! When the bears return home, they'll hardly recognize their home! They'll LOVE it! (Or will they?)

Remember the story of Goldilocks and the Three Bears, the one where a little girl enters a bear family's home and eats their porridge? That family lived in the woods, where most bear families live. But have you ever wondered what would happen if the bear family lived in a big city, a really big city like New York? Author Elizabeth Massaro answers that question in her book, *Goldilocks and the Three Bears in the Big City*. Papa Bear, Mama Bear, and Baby Bear live in the big city. There's a Goldilocks in this story, too. She's Papa Bear's mean boss, and she has no problem helping herself to what others have. Accompanied by E. C. Eppolites' beautiful illustrations, young readers will enjoy *Goldilocks and the Three Bears in the Big City*. Children who can't read yet will love having it read to them as they follow along.
