

The Ultimate Playboy

The shocking, never-before-told story of the bizarre world inside the legendary Playboy Mansion—and, finally, the secret truth about the man who holds the key—from one of the few people who truly knows: Hef's former #1 girlfriend and star of *The Girls Next Door*. A spontaneous decision at age twenty-one transformed small-town Oregon girl Holly Sue Cullen into Holly Madison, Hugh Hefner's #1 girlfriend. But like Alice's journey into Wonderland, after Holly plunged down the rabbit hole, what seemed like a fairytale life inside the Playboy Mansion—including A-list celebrity parties and her own #1-rated television show for four years—quickly devolved into an oppressive routine of strict rules, manipulation, and battles with ambitious, backstabbing bunnies. Life inside the notorious Mansion wasn't a dream at all—and quickly became her nightmare. After losing her identity, her sense of self-worth, and her hope for the future, Holly found herself sitting alone in a bathtub contemplating suicide. But instead of ending her life, Holly chose to take charge of it. In this shockingly candid and surprisingly moving memoir, this thoughtful and introspective woman opens up about life inside the Mansion, the drugs, the sex, the abuse, the infamous parties, and her real behind-the-scenes life with Bridget, Kendra, and, of course, Mr. Playboy himself. With great courage, Holly shares the details of her subsequent troubled relationship, landing her own successful television series, and the hard work of healing, including her turn on *Dancing with the Stars*. A cautionary tale and a celebration of personal empowerment, *Down the Rabbit Hole* reminds us of the importance of fighting for our dreams—and finding the life we deserve.

Xavier Fernando "I never thought it possible to feel an attraction for anyone." I'm an artist and I have a new contract with The Golden Gallery. I've got best friends who get me and my jokes and a family who supports and loves me. What more could I possibly want or need? I have it all except, I just don't know what it means to be in love. I've never experienced it nor been attracted to anyone in my life. I don't think it's a bad thing and despite the fact that most people prefer to slot me into the ace spectrum, I don't necessarily see myself in that category. I am happy the way I am, content even or at least, I tell myself that, shoving away the idea that there's something wrong with me. Andre Tomasine "I never thought I'd ever be attracted to a man." You probably know me as the Billionaire Playboy. I come from generations of old money and started my first business venture at age nineteen. The Golden Gallery was my baby and I watched it grow into a huge success all over the world. The first time I set eyes on Xavier Fernando, my world was rocked and turned upside down. I couldn't get him out of my mind and I tried to write it off as being impressed by his genius skills as an artist. It worked too until we bumped into each other again, literally, and the same heady feeling came over me. In an attempt to understand why I was feeling this way, I decided to get closer to Xavier, and to know the man behind the art.

When this beach bunny caught the eye of Hugh Hefner at an L.A. nightclub, Izabella St. James was looking for a fun break from studying for the bar. As the latest Girlfriend of the Playboy founder, her "break" lasted two years, but life behind the gates of the Playboy Mansion was anything but fun. Sure there were parties, presents, puppies, and plastic surgery; but there was also a curfew, a strict regimen of who sits where on movie night, limited contact with the outside world, and a sex life that was anything but wild and crazy. While the E! reality show, The Girls Next Door, has been a ratings hit, each of the three Playboy Bunnies in the series has since left the Mansion in newsworthy ways: one is engaged to a football player, and Hugh's "main" Girlfriend has finally understood that there would be no fairy-tale marriage and family with the man she literally transformed her life for. Izabella was there to witness how each of these relationships formed, where each Girlfriend fell in the pecking - and bed - order, and when, exactly, the fabled life turned shabby and cheap. From catfights to sneaking in boyfriends, from high-profile guests in the Grotto to the bizarre rituals of the octogenarian at the center of the sexual revolution, Bunny Tales is compulsively readable and endlessly entertaining!

Andrew has spent most of his life chasing women and wasting time, but he's determined to do his duty by his family, even if that means ousting an infuriating (and gorgeous) widow from the inn that legally belongs to the Damons. He doesn't expect to fall for her. And he definitely doesn't expect to discover that he's been played.

WHO SAID OPPOSITES DON'T ATTRACT? Applying for a job in her wedding gown wasn't the best way to make a first impression! Cabot's past experiences with women told him that Kate was a runner. So when his young son, Tyler, made not-so-subtle hints about wanting Kate as his mum, the single dad wondered what he'd

opened himself up to... especially when he'd do anything to keep the runaway bride by his side for keeps!
