A special fiftieth anniversary edition of Kurt Vonnegut's masterpiece, "a desperate, painfully honest attempt to confront the monstrous crimes of the twentieth century" (Time), featuring a new introduction by Kevin Powers, author of the National Book Award finalist *The Yellow Birds* Selected by the Modern Library as one of the 100 best novels of all time *Slaughterhouse-Five*, an American classic, is one of the world's great antiwar books. Centering on the infamous World War II firebombing of Dresden, the novel is the result of what Kurt Vonnegut described as a twenty-three-year struggle to write a book about what he had witnessed as an American prisoner of war. It combines historical fiction, science fiction, autobiography, and satire in an account of the life of Billy Pilgrim, a barber's son turned draftee turned optometrist turned alien abductee. As Vonnegut had, Billy experiences the destruction of Dresden as a POW. Unlike Vonnegut, he experiences time travel, or coming "unstuck in time." An instant bestseller, *Slaughterhouse-Five* made Kurt Vonnegut a cult hero in American literature, a reputation that only strengthened over time, despite his being banned and censored by some libraries and schools for content and language. But it was precisely those elements of Vonnegut's writing—the political edginess, the genre-bending inventiveness, the frank violence, the transgressive wit—that have inspired generations of readers not just to look differently at the world around them but to find the confidence to say something about it. Authors as wide-ranging as Norman Mailer, John Irving, Michael Crichton, Tim O'Brien, Margaret Atwood, Elizabeth Strout, David Sedaris, Jennifer Egan, and J. K. Rowling have all found inspiration in Vonnegut's words. Jonathan Safran Foer has described Vonnegut as "the kind of writer who made people—young people especially—want to write." George Saunders has declared Vonnegut to be "the great, urgent, passionate American writer of our century, who offers us . . . a model of the kind of compassionate thinking that might yet save us from ourselves." Fifty years after its initial publication at the height of the Vietnam War, Vonnegut's portrayal of political disillusionment, PTSD, and postwar anxiety feels as relevant, darkly humorous, and profoundly affecting as ever, an enduring beacon through our own era's uncertainties. "Poignant and hilarious, threaded with compassion and, behind everything, the cataract of a thundering moral statement."—The Boston Globe

Like many couples, Dick and Angel had long dreamed of living in France. But where others might settle for a modest bolthole in the French countryside, the Strawbridges fell in love with a 19th-century fairytale chateau, complete with 45 rooms, 7 outbuildings, 12 acres of land and its own moat. A year at the chateau follows their adventure from when they first moved to France in the depths of winter and found bedrooms infested with flies, turrets inhabited by bats, the wind rattling through cracked windows, and just one working toilet (which flushed into the moat), through to the monumental efforts that went into readying the chateau for their unforgettable wedding and their incredibly special first Christmas.

Joy Avon's festive series debut featuring a book-themed tea party organizer will be tons of fun this Christmas for Lorna Barrett and Jenn McKinlay fans. In the run-up to Christmas Eve, organizer of book-themed tea parties Callie Aspen and her lovable Boston terrier will have to conquer threefold trouble—a mysterious will, a missing heirloom and a dead body—to restore the festive spirit to their small town. This Christmas, Callie Aspen returns to her childhood hideout Heart's Harbor, Maine where her great aunt runs Book Tea, a vintage tearoom where every sweet treat contains a bookish clue. Upon arrival in the fairy-tale snowy town, Callie is drawn into the preparations for a special tea party at Haywood Hall, the rambling house of Heart's Harbor's oldest resident, rich but lonely widow Dorothea Finster, who invited her estranged relatives, old friends and the elite of the town to make a mysterious announcement about her will. Believing they can touch a part of her fortune, everybody is determined to come, despite not liking each other or even their hostess. And Callie's old friend Sheila complicates things by using the tea party to announce her daughter's engagement, even though her daughter isn't sure she's in love with the young lawyer her mother thinks so perfect for her. Catering to people who each have their own agenda isn't easy for the Book Tea crew, especially once the valuable engagement ring goes missing and a dead body turns up in the conservatory. Can Callie and her great aunt use their love of clues to dig into the crimes and show their unhappy hostess and squabbling guests the true Christmas spirit?
